ATTN: Ms. Sherada Hobgood

Dear Ms. Hobgood:

Re: Notification of Corrected Label Text
Raid CWR, EPA Reg. No. 4822-538

Hi, Sherada, hope this letter finds you well.

I'm sending along an 8570-1 form and a copy of the master label for the subject product, in order to notify the Agency of a correction to the subject label, specifically to remove the word "Statement" from the Storage and Disposal heading, consistent with the requirement at 40 CFR 156.10(h)(2)(ix) and to add "Sold By" before the company name and address, per 40 CFR 156.10(c). Although not specifically mentioned in PR 98-10 I am hopeful that this can be handled as a simple correction of erroneous/omitted text.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions concerning this submission please call me at 262-260-2405.

Thanks very much.

Sincerely,

Stuart McArthur
