LABEL REVISION  
NOTIFICATION

Dear Sir or Madam:

Re: Norm 1, EPA Reg. No. 4822-542  
Notification of Minor Label Revisions

This is to notify the Agency of a handful of minor editorial revisions to approved claims, consistent with Section II. N. of PR Notice 98-10. Changes are in bold italics. There are no "new" claims added, only minor editorial restatements of already approved claims, "No Spray, No Mess," "Fan Circulated Repellent" and "Clip It On: To your belt, to your bag, or set it next to you." Changes are noted in bold italics on the accompanying label. As you can see these do not change the substance of any of the currently approved claims, but are simple grammatical changes.

We would also like to take this opportunity to notify the Agency that we are correcting the inadvertent omission of the "Storage & Disposal" heading by adding this to the label, as required in 40 CFR 156.10(h)(2)(ix) and adding the words "Sold By" preceding our company name and address.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

If you have any questions concerning this submission or if there is any further information I may provide, please call me at 262-260-2405.

Thanks very much.

Sincerely,

Stuart McArthur
