UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460United States
Environmental Protection
AgencyOffice of Pesticide ProgramsS. C. Johnson & Son, Inc
525 Howe Street
Racine, WI 53403

Attention: W.A. Hawkins, Jr. Ph.D.

Subject: Combo

EPA Registration No. 4822-548
Amendment Dated November 14, 2007 and
Letter Dated December 4, 2007

The amendment, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, to add a new alternative formulation, including Confirmatory Efficacy study, Storage Stability and Corrosion Characteristics study and revised labeling, is acceptable, provided that you:

1. On page 8, under "Soft Surface Antibacterial Claims", correct the following claims:

- Delete all references to "99.9%". There is no data to support this claim. This is not optional.
- Whatever statements the double-cross symbol represents need to be inserted. This is not optional.
- Revise the statement "Now with Fabric Antimicrobial" to "Now with Fabric Antimicrobial Odor Control."

2. On page 4 after the heading "Soft Surfaces/Home Fabrics, insert the statement that the double-cross symbol represents. This is not optional.

2/13

Page 2
EPA Registration No. 4822-548

3. On page 10 of the proposed label, change "to temporarily reduce airborne bacteria" to read "to temporarily reduce odor-causing airborne bacteria".
4. On page 10 of the proposed label, include the following text under the First Aid statement: If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison control center or doctor for treatment advice."
5. In the disinfection and mold/mildew treatment directions for use on page 10 of the proposed label, indicate the distance at which the product is to be held away from the surface when applying. During testing, carriers were sprayed at a distance of 4-6 inches. This distance must appear on the label.
6. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3©(5) and sec. 4 when the Agency requires all registrants of similar products to submit such data.
7. Submit two (2) copies of final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the "accepted" product labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha Terry at (703) 308-6217.

Sincerely

Marshall Swindell
Product Manager 33
Regulatory Management Branch 1
Antimicrobials Division (7510P)

You'll know (Combo is) (it's) working when your air smells truly clean.

Combo (eliminates problem odors from) (works on tough odors such as) (is effective against
tough odors from) (<insert use sites>) (<insert odors>) (<insert hard surfaces>)
(<insert soft surfaces>) (sinks and drains) (suitcases) (and) (after fire).

Suitable for use in home and small businesses (such as) (<insert use sites>).

Use Combo every day throughout your (<insert use site>) to eliminate odor caused by bacteria.

Use Combo every day throughout your (<insert use site>) (to eliminate odor caused by airborne
bacteria) (and) to leave your (<insert use site>) smelling clean and fresh.

Combo cleans the air you breathe.

Formula binds to and chemically reacts with odor molecules (in mid-air) (in the air) to neutralize
them and effectively make them odorless.

Makes your home a fresher place to be.

Works on: (air) (and) (<insert use surfaces>).

[Fragrance Name] has a (clean) (scent) (fragrance) (smell) (that doesn't linger) (that dissipates with the odors).

No overpowering (smell) (fragrance) (scent).

Eliminates odors with no lingering fragrance.

Leaves no lingering fragrance.

Leaves behind a clean smell that is not antiseptic.

Does not leave behind an antiseptic smell.

Leaves your home smelling as clean as it is.

(This product) Leaves no sticky residue (!)

Leaves a light pleasant fragrance (in your home) (in any room).

Leaves your air smelling clean and fresh.

No more trigger fatigue (!)

Odor Elimination Claims:

[One or more of the following odor elimination claims may appear on the final marketing label.]

(New) (Combo) (Eliminates) (Reduces) (Controls) (is) (Effective against) odors (from odor-causing bacteria).

(New) (Combo) Eliminates (<insert odor descriptor>) (odors) (smells) (from odor-causing bacteria).

Unlike air fresheners (that) (which) only mask odors (temporarily), (new) (Combo) eliminates (<insert odor descriptor>) (odors) (smells).

(New) Combo doesn't (just) mask odors (it eliminates them).

(New) Combo doesn't just (disguise) (mask) (cover up) (bad smells) (odors) (offensive odors).

Get odors out with (new) Combo (!)

Don't cover up odor problems...remove them with (new) Combo.

Clear the air with (new) Combo.

(New) (Combo) Eliminates odors at their source.

(New) (Combo) (Reduces) (Controls) odors at their source.

Eliminate bacterial odors at the source with Combo.

Unlike air fresheners, which only mask odors temporarily, (new) Combo eliminates (<insert odor descriptor>) (<insert odors>) odors.

(Eliminates) (Effective against) (<insert odor descriptor>) odors around (<insert odors>) (<insert hard surfaces>) (<insert soft surfaces>) (<insert use sites>).

Eradicate(s) odors.

Do away with (odors) (bad smells).

Air out the air (with (new) Combo)

(Eliminates) (Reduces) (Controls) (Effective against) (<insert odors>) odors from (airborne) odor-causing bacteria.

Combo (works to make) (makes) your home a fresher place to be.

Leaves your home (air) smelling (really) clean (and fresh) (and pleasant).

Makes your home (air) smell (really) clean (and fresh) (and pleasant).

(New) (Combo) Eliminates odors (from odor-causing bacteria).

Odor Elimination (Eliminator)

Works (to eliminate odors).

Eliminate(s) (<insert odor descriptor>) (odors such as) (<insert odors>) (odors).

(New) (Combo) eliminates odors like you just opened a window.
(New) Combo (eliminates) (gets rid of) the (odors) (smells) (without just masking them) (... it doesn't just mask them).

Air so (clean) (pure) (fresh) (refreshed) you will (immediately -or- instantly) (notice -or- appreciate) the difference.

It takes more than fresh air to clean your (home) (air) of odors.

(Cleans -or- cleanses) your air of odors.

(Cleans -or- cleanses) the air you breathe.

Air so clean you can smell the freshness.

Leaves no odors behind.

(New) Combo has a fragrance that is not (strong) (overpowering) so you'll know Combo is working when your air smells truly clean.

Unlike air fresheners that only mask odors temporarily, Combo eliminates (<insert odor descriptor>) odors such as (<insert odors>) odors.

Specially formulated to kill odor-causing bacteria on hard and soft surfaces and in the air.

(To) Eliminate (<insert odor descriptor>) (<insert use sites>) (<insert hard surfaces>) (<insert soft surfaces>) odors (:)

(To) Eliminate (<insert odor descriptor>) (<insert odors>) (odor) (:)

(To) Eliminate odors (from) (<insert odor descriptor>) (<insert odors>) (<insert use sites>) (<insert hard surfaces>) (<insert soft surfaces>) (:)

[Note to reviewer: where the odors listed below appear on the final printed label, they will either be followed by the word "odor(s)" or prefaced by the words "odor(s) from."]

Airborne Antimicrobial Claims:

[One or more of the following claims may appear on the final marketing label.]

(New) Combo works to eliminate (odors) (smells) in the air by (killing -or- destroying -or- eliminating) odor-causing airborne bacteria.

Temporarily reduces odor-causing (airborne) bacteria (in the air) (and eliminates their odors).

(New) (Combo) (kills -or- eliminates -or- destroys -or- removes -or- reduces) odor-causing bacteria in the air (and eliminates -or- destroys -or- removes their odors).

(New) (Combo) (kills -or- eliminates -or- destroys -or- removes -or- reduces) odor-causing airborne bacteria (and eliminates their odors).

(New) (Combo) Stops odor-causing airborne bacteria in their tracks (!)

(New) (Combo) (kills -or- eliminates -or- destroys -or- removes) odor-causing bacteria in the air - unlike air fresheners, which only mask odors.

Keeps (on) (killing -or- removing -or- destroying -or- eliminating -or- reducing -or- controlling) odor-causing bacteria in the air.

Keeps odors away by (killing -or- destroying -or- removing -or- eliminating -or- reducing -or- controlling) odor-causing bacteria in the air.

(New) (Combo) (kills -or- destroys -or- removes -or- eliminates -or- reduces -or- controls) the odor-causing bacteria that cause (<insert odor descriptor>) odors (in the air).

Combo helps reduce the number of odor-causing airborne bacteria in any room (to leave your home smelling clean and fresh).

(New) Combo works to eliminate (odors -or- smells) in the air by (killing -or- destroying -or- removing -or- eliminating) odor-causing bacteria.

It takes more than fresh air to clean your (home) (air) of odor-causing (airborne) bacteria.
 (For those of you who don't want bad odors -or- smells in (your) (their) (<insert use sites>) (new) Combo reduces (airborne) odor-causing bacteria in any room with a light fragrance to leave your (<insert use sites>) smelling clean and fresh.
 Unlike air fresheners that only mask odors temporarily with fragrance, Combo eliminates (<insert odor descriptor>) (odors -or- smells), such as (<insert odors>) (odor).
 (New) Combo cleans (your) (the) air of odor-causing bacteria and (their) (smells -or- odors -or- smelly odors).
 (Combo) (kills -or- destroys -or- removes -or- eliminates) odor-causing bacteria and their (<insert odor descriptor>) odors (throughout your home) (from) (<insert odors>) (<insert use sites>) (<insert hard surfaces>) (<insert soft surfaces>).
 (Combo) (Eliminates problem odors from) (Works on tough odors from) (is) (Effective against tough odors from) (<insert odors>) (<insert use sites>) (<insert hard surfaces>) (<insert soft surfaces>) (by killing -or- removing -or- destroying -or- eliminating odor-causing bacteria).
 (Eliminates odors:) (Combo) Eliminates odors by killing odor-causing bacteria in the air.
 (Combo) Eliminates odors in the air (by killing odor-causing bacteria).

Disinfection/Sanitization Claims:

[One or more of the following claims may appear on the final marketing label.]

[Note to Reviewer: The following symbols are used to relate claims and contact times to the appropriate microorganisms: for sanitization, bacteria are marked with an asterisk (*); fungi for fungistat claims are marked with two asterisks (**); for disinfectant/virucide/fungicide claims, bacteria are marked with a superscript dagger (†); viruses are marked with two superscript daggers (††); and fungi are marked with three superscript daggers (†††).]

Hard surface disinfectant and odor eliminator.
 Sanitizes by killing 99.9 % of the bacteria* (on hard, non-porous surfaces).
 Disinfects hard (non-porous) surfaces by killing (greater than) (more than) 99.9% of germs.
 Disinfects by killing germs on hard, non-porous surfaces.
 (Controls -or- Prevents -or- Inhibits -or- Effective against) mold** and mildew* on hard, non-porous surfaces.
 Disinfectant kills (odor-causing bacteria) (bacteria that cause odors) on hard, non-porous surfaces.
 (Kills) (Eliminates) (Destroys) (Removes) (Reduces) (Controls) (Effective against) (most) (household) germs
 (Kills) (Eliminates) (Destroys) (Removes) (Reduces) (Controls) (Effective against) (more than) (greater than) 99.9% of (household) (germs) (bacteria[†]) (viruses^{††}) (and) (fungi^{†††}) (on hard, non-porous surfaces).
 Kills 99.9% of (household) germs[†] (&) (and) (viruses^{††}) (on hard, nonporous surfaces).
 Kills (mold** and mildew) (viruses^{††} and bacteria[†]) (on hard, non-porous surfaces).
 Leaves surfaces sanitary.
 (Sanitizer:) Kills *Staphylococcus aureus* (ATCC 6538) and *Klebsiella pneumoniae* (ATCC 4352) on hard, non-porous surfaces in 30 seconds.
 Sanitizes hard, non-porous surfaces in 30 seconds*.
 This product will effectively inhibit the growth of mildew** and its odor when applied to hard, non-porous surfaces.
 Disinfects and deodorizes by killing common (household) germs and controlling their odors.

(Eliminates -or- Controls -or- Kills -or- Effective against) odors caused by (bacteria) (germs) (mildew).

[Fragrance name] has a clean (scent) (fragrance) (smell).

Controls kitchen and/or bathroom odors caused by bacteria or mildew.

Controls pet odors caused by bacteria.

Controls odors caused by mold and mildew.

(Combo) Prevents odors at their source caused by (germs) (bacteria) (mildew).

(Combo) Kills the bacteria that cause (bad) odors on hard, non-porous surfaces.

(Combo) Deodorizes by killing the bacteria that cause odors.

Kills *Trichophyton mentagrophytes* (ATCC 9533), the causative agent of athlete's foot.

Kills the fungus that causes athlete's foot.^{†††}

Kills Influenza A, a causative agent of (flu) (influenza).

Kills the virus that causes (flu) (influenza).

(Kills) (Effective against) viruses that cause (the common cold) (colds and flu) (flu) (colds). ◊

(Kills) (Effective against) common (cold and flu) (flu) (cold) viruses. ◊

(Kills) (Effective against) (Controls) cold and flu viruses. ◊

Helps protect your family (from germs) (by killing germs) (during cold and flu season).

(This product) meets AOAC Germicidal Spray Product Test standards for hospital aerosol disinfectants.

Approved for (hospital use) (use in) (<insert use site>).

(This product) (Controls) (Aids in the reduction of) (Helps reduce) cross-contamination of many harmful germs from treated surfaces.

For (use on) surfaces where germs are a concern.

Kill(s) many of the germs you come into contact with every day.

Kill(s) many of the germs you encounter every day.

Formulated for use in homes and/or hospitals.

Your partner in the fight against germs.

Use (Combo) (in) (on) (around) (<insert use site>).

Kills Avian Influenza A on pre-cleaned environmental surfaces.

Eliminates odors by killing 99.9% of odor-causing bacteria at their source (where they reside and build up)

Kills 99.9% of bacteria* (on hard, non-porous surfaces).

Kills 99.9% of bacteria* on hard, non-porous surfaces in 30 seconds.

Kills 99.9% of (household) germs (&) (and) viruses (on hard, non-porous surfaces)[§]

[Note to reviewer: the symbol at the end of the preceding claim refers users to the boxed list of organisms on page 9 of this label.]

(Combo)(s) (triple action formula) (multi-action formula) (patented formula) kills odor-causing bacteria in the air and (greater than) 99.9% of germs on hard surfaces.

(Combo)(s) (triple action formula) (multi-action formula) (patented formula) kills odor-causing bacteria on (soft surfaces) (home fabrics) (‡) and (greater than) 99.9% of germs on hard surfaces.

(Combo)(s) (triple action formula) (multi-action formula) (patented formula) kills (greater than) 99.9% of germs on hard surfaces and even kills odor-causing bacteria in the air and on (soft surfaces) (home fabrics) (‡).

Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE EACH USE.

Pre-clean hard, non-porous and soft surfaces (before using) (this product) (Combo). Wherever food contact is likely, rinse surface with (clean) (potable) (tap) water after using (this product) (Combo).

12/13

TO TEMPORARILY REDUCE AIRBORNE BACTERIA and eliminate odors in an average room (12' x 12' x 9'), close all doors, windows and air vents and spray product upward in center of room for 10 seconds. For maximum effectiveness, relative humidity should be between 45% and 70%. Resume normal room ventilation after spray has settled.

TO DISINFECT (AND KILL) (BACTERIA[†]) (VIRUSES^{††}) (FUNGI^{†††}) (AND) (OR) (GERMS) (ON) HARD, NON-POROUS SURFACES: Spray pre-cleaned surface until wet. Allow product to remain on surface for 5 minutes. (Then wipe) (if desired).

TO SANITIZE* HARD, NON-POROUS SURFACES: Spray pre-cleaned surface until wet. Allow product to remain on surface for 30 seconds. (Then wipe) (if desired).

TO (CONTROL) (INHIBIT) (AND) (OR) (PREVENT) THE GROWTH OF MOLD** AND MILDEW (AND THEIR ODORS): Spray pre-cleaned surface until (wet) (misted). Let the treated surface air dry. Re-apply (as necessary) (as desired).

(TO KILL ODOR-CAUSING BACTERIA ON SOFT SURFACES): Spray pre-cleaned surface until damp. (99.9% of) Odor-causing bacteria will be killed after 5 minutes. Allow (the) surface to dry completely before using it. KEEP CHILDREN AND PETS OFF TREATED SURFACES UNTIL DRY. Spot test soft surfaces in an inconspicuous area for colorfastness (before widespread use).

DO NOT USE ON BEDDING, MATTRESSES, CLOTHING, CARPET, LEATHER, SILK, or rayon fabrics, polished wood, painted surfaces, lacquered metals or acrylic plastics.

Spray may leave some hard floors slippery. To avoid slips or falls, do not concentrate spray over hard floors.

DO NOT SPRAY ON PETS.

Storage and Disposal

STORAGE: Store away from heat, sparks and open flame in an area inaccessible to children.

DISPOSAL: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE!) If recycling is not available, empty the container and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Avoid contact with food and food utensils.

MAR 6 2008

Before using product throughout your home, use in one room and wait 24 hours to ensure that no one has any physical reactions to the product.

Asthma and Allergy Sufferers:

Consult your physician before using this product in your home.

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No. 4822-548

Before spraying remove (pet) birds. After use, ventilate normally prior to returning birds to treated area.

FIRST AID: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

ATTENTION: Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Help stop inhalation abuse. For information visit www.inhalant.org.

PHYSICAL/CHEMICAL HAZARDS: EXTREMELY FLAMMABLE. Keep away from fire, sparks and heated surfaces. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting.
