page 2  
EPA Reg. No. 4822-551

c. Under Directions for Use following the misuse statement in bold type add "Do not apply to people or pets. Do not use on vegetable gardens or other edible crops."

d. Add to the end of the first paragraph under shake before using: "Before application cover or remove exposed food. Avoid contamination of outdoor cooking utensils and food preparation areas. Keep away from open flames such as grill and candles."

3. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Enclosure

<Label to EPA 2-10-06, Raid Yard Guard PLD, Me-Too Fast track PRIA R30>

[For reviewer: This aerosol product is fitted with a special overcap for use in conjunction with a trigger-actuated applicator. Both a refill aerosol and "starter kit" (including an aerosol and refillable applicator) will be made available for purchase. This label incorporates text for the starter kit and refill aerosol. The aerosol refill cans will be fully labeled. Cans inserted in the applicator may be rotated to allow access to label text.]

ACCEPTED  
with COMMENTS  
in EPA Letter Dated

APR 12 2006

NET WT. \_\_\_\_\_ OZ.

S.C. JOHNSON (A Family Company)

For Outdoor Use Only (Not intended for body application or indoor use)

(Inserting Can:)

1. Before each use, check to make sure that you are using the right (Raid) (Reach & Kill) (product) (insect spray) (insecticide) for your insect problem.
2. Holding the (pole with) base opening upward, place the can bottom into the base.
3. Place cover over can, (align) (line up) locking features and twist until cover snaps into place.
4. To remove (can) (aerosol) (refill), twist and remove cover.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use on edible crops.

**SHAKE BEFORE USING**

For best results, spray when air is calm. If breeze is blowing, spray with wind. Point applicator toward area being treated and away from face, other people, and animals. (Do not spray directly overhead.)

Hold (with spray nozzle) approximately 2 – 3 feet from surface to be sprayed. Aim can on slight downward or upward angle and squeeze trigger firmly. Spray foliage in the area in addition to spraying air and allow to settle. Allow a few minutes for product to take effect.

**FLYING INSECTS:** Flies, mosquitoes, gnats, small flying moths. Allow fog (spray) to drift over area. Direct fog (spray) toward bushes or grass from at least 4 to 6 feet away. Give special attention to breeding areas such as garbage cans and compost piles.

**CRAWLING INSECTS:** Ants, crickets, centipedes. To repel ants and crawling insects, spray infested surface of patio or picnic area, hitting as many insects as possible. Spray ant hills for best control. Keep 4 to 6 feet away from ornamental plants while spraying.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry place away from heat, sparks and open flame. Do not store (with) can upside-down.

**DISPOSAL:** Do Not Puncture or Incinerate! If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for

recycling, empty the container (can) by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

[For Reviewer: The Steel graphics symbol will be used if label space allows it.]

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if absorbed through skin or inhaled. Avoid contact with eyes, skin, or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating, drinking, chewing or using tobacco. Remove contaminated clothing and wash clothing before reuse.

[For Reviewer: Boxed and "bulleted" format will be used if label space permits; otherwise a paragraph format will be used.]

#### FIRST AID:

Have the product container or label with you when calling a poison control center or doctor, or going for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

#### ENVIRONMENTAL HAZARDS:

This pesticide is toxic to fish and other aquatic organisms. Do not apply directly to any body of water. Do not contaminate water when disposing of equipment wastewaters.

#### PHYSICAL OR CHEMICAL HAZARDS

**CONTENTS UNDER PRESSURE.** Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

Contains no CFCs or other ozone depleting substances. Federal Regulations prohibit CFC propellants in aerosols.

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

See Additional Precautionary Statements on Back (side panel)

**ACTIVE INGREDIENTS**

Permethrin.....	0.225%
d-cis/trans allethrin.....	0.143%
OTHER INGREDIENTS.....	99.632%
Contains sodium nitrite	

(System) (Starter Kit) Includes:

- (1) (Raid Reach & Kill) (applicator) (tool), (1) (2) (3) (4) (5) (6) (aerosol) (aerosols) (refill) (refills) (can) (cans)

(1) (2) (3) (4) (5) (6) Refill(s) (of) [product name(s) of any Raid Reach & Kill products], (\_\_\_\_ oz. aerosol(s))

These other (two) (three) (four) (five) (six) Raid Reach & Kill (aerosol) (aerosols) (refills) are available (to meet your exact needs) (Refills available for indoor or outdoor needs): 4822-532 and 4822-533 in addition to this registration]

The starter kit comes with (one) (two) (three) (four) (five) (six) Raid Reach & Kill (aerosol) (aerosols) (refill) (refills) and an applicator.

RAID Reach & Kill (applicator) (application) system is the (revolutionary) (innovative) (unique) way to kill bugs dead! It's the easy, convenient way to apply a variety of uniquely designed Raid Reach & Kill (refill) products with just one (applicator) (application) (device) (tool). Simply insert the (aerosol) (can) (refill), and apply. (Use for quick and easy application into hard to reach places in and around your home (with available refills.)) *No mixing, no climbing ladders, no hassle.*

(Some of these phrases may also be repeated as picture headings).

Raid Reach & Kill advanced (bug control) (applicator) system provides:

- Unique applicator to give you over 3 feet of (extra) reach
- Easy-to-use trigger control
- Easy (aerosol) (refill) (can) insertion and removal
- (Refills available for indoor or outdoor needs)

(Assembly Instructions) (Easy Assembly):

(Assembly Tip: To make assembly easier, add a small drop of liquid soap at the tip of the connector, then insert and twist! To improve grip during assembly, use rubber gloves.)

Carefully read all instructions before using.

1. Connect (each of) the (three) poles (by squeezing the white buttons).
2. Attach the handle to the pole assembly.
3. Attach the base to the pole assembly (by sliding the white buttons into the grooves and pushing until it "snaps") (into place). ((Once assembled) Attempting to take apart may cause damage (to the poles, handle or base).)
4. Choose a (refill) (aerosol) (can), making sure that you are selecting the right (product) (insect spray) (insecticide) for your insect problem.
5. (Remove clear cap from the can.) Holding the (pole) (assembly) (with) the base opening upward, place the can bottom into the base
6. Place cover over the can, (align) (line up) (the) locking features and twist until cover snaps into place.
7. To remove the (can) (aerosol) (refill), twist and remove the cover.

(Applicator) (Tool) is not meant to be disassembled.

#### To Use (Using Product)

- (Shake well before each use.)
- (Hold (applicator) (tool) with two hands (as shown)).
- Squeeze red (or designated color) trigger to dispense product (to spray).
- *Forceful, directed spray will put product where you want it.*
- (Sprays up or down) (You can spray at any angle).
- Can easily be applied in hard to reach places
- Use with a variety of indoor and outdoor Raid Reach & Kill products
- Do not contact electrical wires with (device) (applicator)
- To avoid injury, do not use while standing on a ladder or elevated surface
- Keep applicator from contacting sticks, twigs, dirt, rocks (etc.) that may hamper the unit's effectiveness.
- Refer to (aerosol) (refill) (can) for specific application directions
