AND POLLUTION PREVENTION

January 29, 2014

Ms. Sheila Bugalecki
S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403

Dear Ms. Bugalecki:

Subject: label amendment
RWH 33
EPA Registration Number 4822-553
Your email label submission dated January 28, 2014

The application referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

A stamped label is enclosed for your records.

If you have any questions regarding this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

Sincerely yours,

Richard Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

Enclosure

RWH 33

TOTAL.....100.00%

*Contains petroleum distillates

KEEP OUT OF REACH OF CHILDREN

CAUTION: See additional precautionary statements on back

Net Wt.

Twist and snap off tab before spraying (w/graphic)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not use this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of area during application. Exit area immediately and remain outside the treated area until all sprays have dried.

FOR OUTDOOR USE:

To kill paper wasps, yellow jackets, mud daubers, bald-face hornets, and bees: For best results, spray in early morning or early evening when insect activity is minimal. Stand a safe distance from nest and not directly underneath. Hold can as upright as possible while spraying. Point spray opening toward nest with wind at your back. Spray until nest is thoroughly saturated to kill the entire nest population. Wait at least 24 hours before removing the nest. Remove all exposed food and cooking utensils. Cover all food handling surfaces or wash thoroughly after treatment and before use. Do not use on edible crops. Do not apply to pets or contaminate feed, foodstuffs, dishes or utensils. Avoid spraying vegetation directly. Avoid excessive wetting of asphalt. Application is prohibited directly to sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place away from fire, sparks, and heated surfaces.

DISPOSAL: Do Not Puncture or Incinerate!

If Empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, put in trash.

If Partially Filled: Call your local solid waste agency or 800-529-3394 for disposal instructions.

[The steel recycle graphics symbol may be used if label space allows it.]

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 800-558-5252 for emergency medical treatment information.

NOTE TO PHYSICIAN: Contains petroleum distillate-vomiting may cause aspiration pneumonia.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not allow this product to come in contact with acids, bases, or other strong oxidizing materials, as a chemical incompatibility reaction may occur.

ENVIRONMENTAL HAZARDS: This product is extremely toxic to fish and aquatic invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. See Directions for Use for additional precautions and requirements.

(Contains no CFCs or other ozone depleting substances. Federal Regulations prohibit CFC propellants in aerosols.) [optional graphic]

(Additional) Tips (Non-chemical Control Options) [one or more to be chosen from the following list]:

Do not leave doors and windows open.

Inspect screens for holes and loose edges that may allow wasps and hornets to enter.

Keep a tight fitting lid on garbage cans (and receptacles) to avoid attracting wasps.

Raid Defense System (Defense System)

Attack(s) Bugs*

Control(s) Bugs[†]

Prevent(s) Bugs[‡]

Raid Defense System (Raid Guided Support) helps you work smarter, not harder, to fight bugs. Visit raidkillsbugs.com to identify your bug and best treatment plan.

Use this product to:

Attack Bugs

Kill bugs on contact (Kill the bugs you see)

Kill bugs at the source (Kill the bugs you don't see)

* Use (this product) outdoors to kill wasps (hornets) (wasps and hornets) (and their entire nest) on contact. For best results, spray in the morning or evening when insect activity is minimal. Spray directly into the nest opening until the entire nest is saturated.
