Subject: Notification per PRN 98-10 – addition of alternate brand names and marketing claim
Product Name: GENEVA-T
EPA Registration Number: 4822-555
Application Date: 11/29/2017
Decision Number: 536341

Dear Mr. Hollas:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The alternate brand names "*OFF! Deep Woods Insect Repellent XI; OFF! Deep Woods Sportsmen Insect Repellent IX*" have been added to the product record.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If you have any questions, you may contact Angela Hollis at 703-347-0216 or via email at hollis.angela@epa.gov.

Sincerely,

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - WARNING:

Causes substantial but temporary eye injury. Do not get in eyes. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum or using tobacco.

Discontinue use and consult a doctor if irritation or rash occurs. Call a poison control center or doctor immediately for treatment advice.

Refer to (back)(side) panel for additional precautions.

[Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits]

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

PHYSICAL & CHEMICAL HAZARDS: FLAMMABLE: Do not use near heat or open flame. Keep treated surfaces away from fire, sparks, or flame until dry.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Open package, remove and unfold towelette. It may be necessary to use more than one towelette. Do not apply over cuts, wounds, irritated or sunburned skin. Do not apply near eyes and mouth. Apply sparingly around ears. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over-application of this product. Reapply every eight hours. Do not apply more than two times per day. Do not apply to children's hands. Do not allow children to handle this product. After returning indoors, wash treated skin with soap and water.
