Ms. Christina M. Swick,
Authorized Agent for
S.C. Johnson & Son, Inc.
c/o Lewis & Harrison, LLC
122 G Street, NW., Suite 740
Washington, DC 20001-2109

**Subject: Amended Labeling; Response to NOR of April 19, 2011
H7A-US, EPA Reg. No. 4822-578
Your Submission Dated April 28, 2011 & E-Submission Dated June 3, 2011**

Dear Ms. Swick:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

Should S.C. Johnson & Son, Inc. wish to add/retain a reference to the company's website on your label, please be aware that the website becomes labeling under FIFRA, and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under section 12(a)(1)(E) of FIFRA. 40 CFR §156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not be substantially differ from those claims approved through the registration process. Therefore, should the Agency find, or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to EPA's Office of Enforcement and Compliance Assurance (OECA). As an alternative, S.C. Johnson & Son, Inc. may refer consumers to the company's phone number or e-mail address.

A copy of your label stamped "Accepted" is enclosed for your records. If you have any questions, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely yours,

A handwritten signature in black ink that reads "Richard J. Gebken".

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

Enclosure: Label stamped "Accepted"

<Label 4822-578 to EPA in response to comments in Notice of Pesticide Registration dated 4/19/2011>

S. C. JOHNSON (A Family Company)

H7A-US (Master Name)

ACTIVE INGREDIENTS:

Tetramethrin	0.350%
D-Phenothrin	0.125%
d-cis/trans allethrin*	0.100%
OTHER INGREDIENTS:	99.425%

This product contains sodium nitrite

*cis/trans isomer ratio: max. 25% (+/-) cis and min. 75% (+/-) trans

ACCEPTED
June 3, 2011
**Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for the
pesticide registered under:**

KEEP OUT OF REACH OF CHILDREN

CAUTION: See additional precautionary statements on back.

EPA. Reg. No: 4822-578

NET WT. 4 - 20 OZ. (113g- 567g)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

ENVIRONMENTAL HAZARDS:

This product is highly toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not apply when weather conditions favor drift from treated areas. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the area.

PHYSICAL OR CHEMICAL HAZARDS:

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting.

Claims for front / back panels:

New (Outdoor) (Mountain) (Country) (Spring) Fresh Scent. [Note: "New" to be used only for the first 6 months on the market]

Clean, Pleasant Odor

Raid Kills Bugs Dead!®

Kills Bugs Dead!®

Prevents and combats

Kills Flies and (&) Mosquitoes.(!)

Kills Mosquitoes that may carry (transmit) West Nile Virus

Kills Mosquitoes that may carry (transmit) Dengue (Hemorrhagic) (fever) [Note: For use on market labels specific to Puerto Rico, US Virgin Islands and similar US territories/possessions]

Kills Dengue Mosquitoes (w/graphic) [Note: For use on market labels specific to Puerto Rico, US Virgin Islands and similar US territories/possessions]

Kills listed household insects

Multi-Bug Killer

Kills Listed Bugs Indoors & Outdoors

Indoor(s) · outdoor(s)

Fast Knockdown on House Flies

(For) Use (Both) Indoors and Outdoors

For Use Throughout the House Including Kitchens, Bathroom, Bedrooms, Laundry Rooms and Basements

For Use In Kitchens

Kitchen Spray Kills Listed Flying and Crawling Insects

For Use On Decks, Patios, In Sun Rooms and Garages (and Around Garbage Cans and Compost Piles).

For Use In: Kitchens, Bathrooms, Garages, Around Garbage Cans

For Use In or Around: Homes, Horse Barns

For Use In Yards, Picnic and Camping Areas

Kills: Ants (except fire, harvester, and pharaoh ants), Spiders (except black widow and brown recluse spiders), Roaches, Fleas, House Flies, Mosquitoes, Carpet Beetles, Crickets, Non-biting (fungus) Gnats, Hornets, Millipedes, Moths (Small Flying), Silverfish, Sow Bugs, Pillbugs, Firebrats, Fruit Flies, Box Elder Bugs, Bedbugs, Wasps, Waterbugs, Yellow Jackets in and around the home.

Kills Instantly (Instant) (Kill) (Action) (on) (against): House Flies

Effective against roaches, ants, flies and mosquitoes

Multi Efficacy and Protection

Saves buying several single purpose insecticides.

Its formula is specially designed to kill crawling and flying insects, as listed.

Feel confident to use it indoors or outdoors around carpets, draperies and no-wax floors.

Water Based.

No Oily Film

{The following claims must have residual use directions on back label:

Long-lasting action (Double Action) (around) (screen) (doors and windows) on flies (and) (mosquitoes)

Kills and keeps (on) killing flies (and) (mosquitoes) (around) (screen) (doors and windows) (for weeks)

Provides residual control (around) (screen) (doors and windows) on flies (and) (mosquitoes)

Provides residual control (lasting action) (around) (screen) (doors and windows) on flies (and) (mosquitoes)

Long Lasting Control on flies (and) (mosquitoes) (around) (screen) (doors and windows)

Kills flies (and) (mosquitoes) (around) (screen) (doors and windows) (for) (up to 7) days (a) (one) (1) week

Kills Aedes Mosquitoes (around) (screen) (doors and windows) (for) (up to 3) weeks

Kills Anopheles Mosquitoes (around) (screen) (doors and windows) (for) (up to 4) weeks

Kills Culex Mosquitoes (around) (screen) (doors and windows) (for) (up to) (a) (one) (1) week

Kills Mosquitoes (around) (screen) (doors and windows) (for) (up to 7) days (a) (one) week

Kills Mosquitoes (around) (screen) (doors and windows) That May Carry (transmit) West Nile Virus (for) (up to 7) days (a) (one) (1) week

(Advanced) Dual Action (2 in 1) (around) (screen) (doors and windows)}

Guaranteed to Work or Money Back [Note: For use only with guarantee statement on back label]

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[For reviewer: Boxed and bulleted format will be used if label space permits]

USE RESTRICTIONS

- Apply this product only as specified on this label.
- Do not contaminate food or feedstuffs.
- Do not apply this product directly to mattresses or bedding.
- Do not apply this product directly to domestic (companion) animals.
- Do not water the treated area to the point of run-off. Do not make applications during rain.
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift
- Do not apply directly to sewers or drains or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur, except as directed by this label.
- Remove pets, birds and cover fish aquariums and ornamental fish ponds before application, and turn aquarium systems off.

Shake before using. Point spray nozzle away from face and press button, holding container as upright as possible.

TO KILL FLYING INSECTS:

INDOORS:

FLIES, MOSQUITOES, SMALL FLYING MOTHS, NON-BITING (FUNGUS) GNATS, FRUITFLIES:

[1] (With H7A-US) there is no need to spray directly at flying insects - the mist in the air will kill them. Close all doors and windows. Spray RAID up into the air with a sweeping motion, keeping about 3 feet (36" (inches)) (1 meter) from interior walls, fabrics and furniture, until the room is thoroughly misted. Do not remain in treated area. Keep treated room closed for at least 15 minutes following application. Thoroughly ventilate room before re-entry.

[2] (With H7A-US) there is no need to spray directly at flying insects - the mist in the air will kill them. Close all doors and windows. For the average size room (10ft x 12ft x 8ft) (1000 cubic feet) (30 cubic meters) spray in a slow sweeping motion for 8 to 10 seconds starting from the middle of the room and backing toward the door, directing the spray to all areas of the room. Keep spray about 3 feet (36" (inches)) (1 meter) from interior walls, fabrics and furniture. Do not remain in treated area. Keep treated room closed for at least 15 minutes following application. Thoroughly ventilate room before re-entry.

[either [1] or [2] will be on the product label, not both]

For fast knockdown, spray directly at insects, keeping about 3 feet (36" (inches)) (1 meter) from interior walls, fabrics, and furniture.

In kitchens, be sure to treat areas that may attract these insects such as around windows, sinks and garbage cans.

Spray directly on stray WASPS, HORNETS, YELLOW JACKETS and ASIAN LADY BEETLES that enter building.

For residual control of listed insects, spray screens and around doors and windows where insects enter the house from a distance of about 18" (inches) (1/2 meter). Also, spray screens and doorways on patios. It is recommended to check for potential staining and damage in an inconspicuous place before complete treatment.

For residual control of mosquitoes during the night: treat the room at the rate of 8 seconds of spray per 1000 cubic feet (30 cubic meters). Close doors and windows, spray in a slight upward direction covering all areas of the room, staying about 3 feet (36" (inches)) (1 meter) from walls, fabrics and furniture. After spraying close the door as you leave the room. Keep doors and windows closed for at least 15 minutes following application. Thoroughly ventilate room before re-entry. Doors and windows may then be reopened.

OUTDOORS:

FLIES, MOSQUITOES, SMALL FLYING MOTHS, ASIAN LADY BEETLES, NON-BITING (FUNGUS) GNATS, FRUITFLIES, BOXELDER BUGS:

To reduce annoyance of these insects, spray target area when air is calm for best results. If a slight breeze is blowing, spray with the wind, allowing the spray to drift over the target area staying at least 3 feet (36" (inches)) (1 meter) from plants and bushes. Allow a couple of minutes for product to take effect. Give special attention to breeding areas such as garbage cans and compost piles. Treat these areas from a distance of about 18" (inches) (1/2 meter) when possible. When spraying in garages be careful that spray does not contact painted surfaces of vehicles.

TO KILL CRAWLING INSECTS:

INDOORS:

FLEAS: Spray floor coverings and sleeping quarters of pets. This product is not intended for direct application to domestic (companion) animals.

ROACHES, WATERBUGS, SILVERFISH, FIREBRATS, CRICKETS: Spray hiding places such as baseboards and floor boards, moist places, cabinets and other storage areas, behind bookcases, and openings around sinks, drains and pipes, hitting as many insects as possible from a distance of about 18" (inches) (1/2 meter). In kitchens, also spray around refrigerators, stoves and storage areas. When spraying by stoves or water heaters, make sure pilot light is first turned off.

ANTS (except fire, harvester, and pharaoh ants): Spray trails, hills, around doors, openings around pipes, window frames, and baseboards where ants crawl, hitting as many as possible from a distance of about 18" (inches) (1/2 meter). In kitchens, also spray around refrigerators, stoves and storage areas. When spraying by stoves, make sure pilot light is first turned off.

SPIDERS (except black widow and brown recluse spiders), MILLIPEDES, SOWBUGS, PILLBUGS: Spray webs and places where these pests crawl from a distance of about 18" (inches) (½ meter). These insects tend to hide in dark moist areas. Hit as many as possible.

CARPET BEETLES: Hit these bugs directly with spray on sections of floor, baseboards, shelves and underside of carpets from a distance of about 18" (inches) (½ meter).

BEDBUGS: DO NOT APPLY THIS PRODUCT TO MATTRESSES OR BEDDING. Disassemble bed frame and treat all surfaces. Allow to dry completely before reassembling bed. Treat around beds, on and under rugs near bed, and cracks and crevices along baseboards near bed.

OUTDOORS:

FLEAS: Spray kennels, doghouses and places where animals rest, including porches and mats by doors. This product is not intended for direct application to domestic (companion) animals.

CRICKETS, MILLIPEDES, SOWBUGS, PILLBUGS: Spray around doors, foundations and damp moist places where these insects hide, hitting as many as possible from a distance of about 18" (inches) (½ meter).

ANTS (except fire, harvester, and pharaoh ants): Spray trails, hills, around doors, openings around pipes, and window frames where ants enter and crawl, hitting as many as possible from a distance of about 18" (inches) (½ meter).

SPIDERS (except black widow and brown recluse spiders): Spray webs and places where these pests crawl. Hit as many as possible.

STORAGE AND DISPOSAL:

PESTICIDE STORAGE: Store in a cool, dry place away from heat or open flame.

CONTAINER DISPOSAL:

Do Not Puncture or Incinerate!

If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, place in trash.

If partially filled: Call your local solid waste agency or 800-529-3394 for disposal instructions.

[For Reviewer: The Steel graphics symbol will be used if label space allows it.]

Money Back Guarantee. If you are not satisfied with this product, SC Johnson will refund the purchase price within one year after the date of purchase reflected on an original receipt. Offer limited to 1 refund per household. For more details, contact us at the phone or address below.

CONTAINS NO CFCs OR OTHER OZONE DEPLETING SUBSTANCES. FEDERAL REGULATIONS PROHIBIT CFC PROPELLANTS IN AEROSOLS. (w/graphic)
