OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

January 29, 2014

Ms. Sheila Bugalecki
S.C. Johnson & Son, Inc.
1525 Howe Street
Racine, WI 53403

Dear Ms. Bugalecki:

Subject: label amendment
RWH 34
EPA Registration Number 4822-581
Your email label submission dated January 28, 2014

The application referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

A stamped label is enclosed for your records.

If you have any questions regarding this action, please contact Linda A. DeLuise of my team at (703) 305-5428.

Sincerely yours,

A handwritten signature in cursive script that reads "Linda A. DeLuise".

Richard Gebken
Product Manager (10)

TOTAL	100.00%

*Contains petroleum distillates

KEEP OUT OF REACH OF CHILDREN

CAUTION: See additional precautionary statements on back

Net Wt.

Twist and snap off tab before spraying [graphic may be used]

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR OUTDOOR USE:

Remove all exposed food and cooking utensils. Cover all food handling surfaces or wash thoroughly after treatment and before use. Do not use on edible crops. Avoid spraying vegetation directly. Avoid excessive wetting of asphalt.

To kill paper wasps, yellow jackets, mud daubers and bald-faced hornets: For best results, spray in early morning or early evening when insect activity is minimal. Stand safe distance from nest and not directly underneath. Hold can as upright as possible while spraying. Point spray opening toward nest with wind at your back. Begin by spraying visible nest opening until insect activity has stopped. Continue spraying entire nest until thoroughly saturated to completely kill the nest population. Wait at least 24 hours before removing the nest.

STORAGE AND DISPOSAL:

STORAGE: Store in a cool, dry place away from heat, sparks, and open flame.

DISPOSAL: Do Not Puncture or Incinerate! If empty: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the container (can) by using the product according to the label. If recycling is not available, put in trash. If partially filled: Call your local solid waste agency or 800-529-3394 for disposal instructions.

[The steel graphics symbol may be used if label space allows it.]

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact 800-558-5252 for emergency medical treatment information.

NOTE TO PHYSICIAN: Contains petroleum distillate - vomiting may cause aspiration pneumonia.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms. Do not apply to water.

(Contains no CFCs or other ozone depleting substances. Federal Regulations prohibit CFC propellants in aerosols.) [optional graphic]
