PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION Harmful if swallowed or absorbed through the skin. Avoid contacting skin, eyes or clothing with treated ring (tray) (cloth) (surface). Do not use indoors or in enclosed spaces. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Store away from food, beverages and pet food. Do not allow materials other than those intended for product use to cover the unit while it is in use. Replace lid only when candle is not lit and unit is cool.

[Note reviewer: Boxed format or bullets may be used in First aid section if label space permits]

FIRST AID

If Swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on Skin: If treated ring (tray)(cloth) (surface) touches skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Have product container or label with you when calling a poison control center or doctor or going for treatment. For additional information in case of emergency, call toll free 800-558-5252.

((Hand Wash Logo) Be sure to wash hands after handling treated ring (tray))

ENVIRONMENTAL HAZARDS

Do not apply to water

PHYSICAL & CHEMICAL HAZARDS

To Prevent Fire or Injury Burn within sight Never burn candle on or near anything that can catch fire Keep out of reach of children and pets Place on level stable surfaces Never burn candle unattended

Trim wick to 1/4 inch () (or less) (before each lighting) Keep candle free of matches and all foreign material Never touch or move while lit or until wax hardens Do not use indoors or in enclosed areas such as garages Do not use on or near food or food preparation surfaces Do not extinguish with lid or water Do not store near heat or open flame (Lead free wick) Always keep (candle and) tray (treated) (ring) (cloth) (surface) covered between uses

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling Read and follow all directions and precautions on this product label

Use one candle in an area up to 10 feet by 10 feet Use two or more in larger areas For best results use within 3 months of opening

(Wash hands thoroughly after handling the tray (treated) (ring) (cloth) (surface)) (Hand Wash Logo) [language moved from below]

[directions for packaging with tray separately pouched in foil]

To Prepare Candle (Remove candle lid and store beneath candle during use) (Trim wick to 1/4 inch () (or less)) Remove **(the)** (mosquito) (repellent) tray (ring) from ~~its~~ (foil) package (pouch) being careful not to touch the ([color]) (treated) (tray) (ring) (cloth) (surface) (as shown)

Light candle ~~(Snap (set) tray (ring) into the candle (as shown))~~
[OR]
(Snap (set) tray (ring) ~~into~~ **onto** the candle (as shown)) **Rotate ring to lock in place** Light Candle

[directions for packaging with treated substrate is packaged as a single unit ready to use with the candle and covered with a protective film]

To Prepare Candle (Remove candle lid and store beneath candle during use) Peel back protective film (foil) from the ([color]) (treated) (tray) (ring) (cloth) (surface) being careful to remove all of the film (foil) and expose (all of) the (mosquito) (repellent) ([color]) (treated) (tray) (ring) (cloth) (surface) (as shown) (Trim wick to 1/2 inch () (or less)) (Dispose of film (foil) in trash) Light candle

Protection is not immediate Allow time for candle to heat the Ring High humidity may increase time before repellency builds

To Extinguish Candle Do not extinguish with water or lid Smother the flame with a non flammable material to extinguish **Always** keep (candle) (and) ([color]) (treated) (tray) (ring) (cloth) (surface) covered between uses (The (mosquito) (repellent) ([color]) (treated) (tray) (ring) (cloth) (surface) is formulated to last as long as the candle)

STORAGE AND DISPOSAL

Storage Store in original container in a cool dry place in an area inaccessible to children

Disposal Non refillable (ring) (tray) (pouch) (package) (and) container Before disposing fully use up the ring according to the label Do not reuse the ring After fully used place in trash or offer for recycling if available If ring is partly used call your solid waste agency or 1 800 529 3394 for disposal instructions Never place unused product down any indoor or outdoor drain or drainage area

Candle After allowing exhausted candle to cool place in trash Do not refill or reuse the container

If product remains partially unused call your local solid waste agency (or 1 800 529 3394) for disposal instructions Never place unused product down any indoor or outdoor drain
