Racine, WI 53403-2236

Subject: PRIA Label Amendment – New efficacy claims
Product Name: Raid Ant & Roach 26
EPA Registration Number: 4822-596
Application Date: 11/29/2022
Decision Number: 589962

Dear Mr. Hunnicutt:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Page 2 of 2
EPA Reg. No. 4822-596
Decision No. 589962

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Jamey Shuler by phone at (202) 566-2898, or via email at Shuler.Jamey@epa.gov.

Sincerely,

Kara Welch, Acting Product Manager 3

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Text in brackets [] indicates notes to reviewer

Text in parentheses () indicates optional marketing text

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Contains petroleum distillate - vomiting may cause aspiration pneumonia.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. (You may also contact 800-558-5252 for emergency medical advice.)

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

RESTRICTIONS: Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos. Follow proper disposal procedures on this label. Siga las indicaciones a etiquetado para el desecho apropiado del producto.

FOR INDOOR HOUSEHOLD USE: SHAKE WELL BEFORE EACH USE. Hold container upright. Do not spray up into air. For direct spray, point spray opening about 18" from insect, press button firmly, and spray 1-2 seconds.

For surface application, point spray opening 18" from surface, press button firmly, and spray for approximately 2 seconds/sq. ft. Retreat every 13 weeks as necessary. Do not apply to plants. Cover or remove exposed food, dishes, utensils, and food handling equipment. Keep people and all pets, out of the area during application and remain outside the treated area until sprays have dried. Cover any water inhabited by fish during treatment, and turn aquarium systems off. Do not use around electrical equipment because of possible shock hazard. During any indoor surface application, do not allow dripping or runoff to occur. Use only in well-ventilated areas. Do not use in greenhouses where plants are grown for food.

ROACHES: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS (*including CARPENTER ANTS*): Apply to ant trails, also around doors, windows and wherever ants enter *the* house.

SILVERFISH, CARPET BEETLES, CRICKETS, EARWIGS, HOUSEHOLD SPIDERS, (Multi-colored Asian Lady Beetles,) (sowbugs,)(millipedes,)(centipedes,)(boxelder bugs,)(stinkbugs,) (including) (brown marmorated stink bug): Spray areas infested by these pests.

BLACK WIDOW SPIDERS, SCORPIONS: Must be sprayed directly (to be killed).

STORAGE AND DISPOSAL
STORAGE: Store away from heat or open flames, in a cool, dry area inaccessible to children.
DISPOSAL: Do Not Puncture or Incinerate! If empty: This container-may be recycled. Before offering for recycling, empty the can by using the product according to the label. If recycling is not available, place in trash. If partially filled: Do not

Peel (remove) (tear) label (sticker) (coupon) (here) for complete use directions

Peel (remove) (tear) label (sticker) (coupon) (here) for complete use directions and precautionary statements

Peel (remove) (tear) label (sticker) (coupon) (here) before use

Read entire label before use.

Apply this product only as specified.

Avoid spraying near baits to make sure bugs can bring the bait back to the nest

Visit [website] to identify your bug and best treatment plan

(Additional) Tips (Non-chemical Control Options) [one or more to be chosen from the following list]

Remove food spills and exposed food.

Store food in sealed containers.

Avoid leaving (accumulating) dirty dishes in sinks.

Keep food out of bedrooms and living rooms.

Avoid the use of mulch next to the foundation, which provides an ideal place for outdoor ants to nest and to gain entry into the home

Caulk any points where ants (bugs) enter into wall voids, cracks and crevices, including entry points from outside or neighboring units.

Raid Defense System (Defense System)

Attack(s) Bugs*

Control(s) Bugs[†]

Prevent(s) Bugs[‡]

Raid Defense System (Raid Guided Support) helps you work smarter, not harder, to fight bugs. Visit [website] to identify your bug and best treatment plan.

Use this product to:

Attack Bugs

Kill bugs on contact (Kill the bugs you see)

*Use (this product) to kill ants (roaches) (ants and roaches) (ants, roaches and other listed bugs) **(and other listed bugs)** on contact. Avoid spraying near baits to make sure bugs can bring the bait back to where they hide.

Use other Raid products to:

Control Bugs

Kill bugs at the source (Kill the bugs you don't see)

[†] Use a Raid Ant (Raid Roach) (Raid Ant or Roach) Bait product to kill ants (roaches) (ants or roaches) where they hide. For heavy infestations, first use a Raid Fogger or Fumigator product and then place baits to provide ongoing control. Read the label to find the right product for your bug problem.

Prevent Bugs

Help keep bugs out (Keep Bugs Out)

[‡] Use a (Raid Perimeter Protection) (or other sub-brand name for EPA Reg. No. 4822-561) product to help keep (to keep) ants (roaches) (ants and roaches) (ants, roaches and other listed bugs) **(and other listed bugs)** out (of your home). Or, spray this product along baseboards, inside cracks, and behind appliances. Do not spray surfaces with more than one pest control product. Read the label to find the right product for your bug problem.
