Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Minor label revisions, graphics and optional claims
Product Name: RAID ANT & ROACH 26
Admin Number: 4822-596
EPA Receipt Date: 12/05/2025
Action Case Number: 00678078

Dear Josh Hunnicutt:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Rebecca Lasko via email at lasko.rebecca@epa.gov.

Sincerely,

Rebecca Lasko for

Jacquelyn Herrick, PM 3

PRECAUTIONARY STATEMENTS[:]

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID[:]

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Contains petroleum distillate - vomiting may cause aspiration pneumonia.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

[You may also contact 800-558-5252 for emergency medical advice.]

PHYSICAL OR CHEMICAL HAZARDS[:]

FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE[:]

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

RESTRICTIONS: Do not allow to enter indoor or outdoor drains. No permita la entrada a desagües internos o externos. Follow proper disposal procedures on this label. Siga las indicaciones a etiquetado para el desecho apropiado del producto.

FOR INDOOR HOUSEHOLD USE: SHAKE WELL BEFORE EACH USE. Hold container upright. Do not spray up into air. For direct spray, point spray opening about 18" from insect, press button firmly, and spray 1-2 seconds.

For surface application, point spray opening 18" from surface, press button firmly, and spray for approximately 2 seconds/sq. ft. Retreat every 13 weeks as necessary. Do not apply to plants. Cover or remove exposed food, dishes, utensils, and food handling equipment. Keep people and all pets, out of the area during application and remain outside the treated area until sprays have dried. Cover any water inhabited by fish during treatment, and turn aquarium systems off. Do not use around electrical equipment because of possible shock hazard. During any indoor surface application, do not allow dripping or runoff to occur. Use only in well-ventilated areas. Do not use in greenhouses where plants are grown for food.

Text in brackets {} indicates notes to reviewer

Text in brackets [] indicates optional text

Text in parentheses () indicates options

ROACHES: Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.

ANTS *[including CARPENTER ANTS]*: Apply to ant trails, also around doors, windows and wherever ants enter *the* house.

SILVERFISH, CARPET BEETLES, CRICKETS, EARWIGS, HOUSEHOLD SPIDERS, [Multi-colored Asian Lady Beetles,]
[sowbugs,][millipedes,][centipedes,][boxelder bugs,][stinkbugs,] [including] [brown marmorated stink bug]: Spray
areas infested by these pests.

BLACK WIDOW SPIDERS, SCORPIONS: Must be sprayed directly [to be killed].

STORAGE AND DISPOSAL[:]

PESTICIDE STORAGE: Store away from heat or open flames, in a cool, dry area inaccessible to children.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do Not Puncture or Incinerate! If empty: This container may be recycled. Before offering for recycling, empty the can by using the product according to the label. If recycling is not available, place in trash. If partially filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.

Text in brackets {} indicates notes to reviewer

Text in brackets [] indicates optional text

Text in parentheses () indicates options

- (Raid Defense System) (Raid Guided Support) helps you work smarter, not harder, to fight bugs. Visit [website] to identify your bug and best treatment plan.
- Use this product to:
 - Attack Bugs
 - Kill bugs on contact (Kill the bugs you see)
 - [*] Use (this product) to kill (ants) (roaches) (ants and roaches) (ants, roaches and other listed bugs) (**and other listed bugs**) on contact. Avoid spraying near baits to make sure bugs can bring the bait back to where they hide.
- Use other Raid products to:
 - Control Bugs
 - Kill bugs at the source (Kill the bugs you don't see)
 - [+]
Use a (Raid Ant) (Raid Roach) (Raid Ant or Roach) Bait product to kill (ants) (roaches) (ants or roaches) where they hide. For heavy infestations, first use a Raid Fogger or Fumigator product and then place baits to provide ongoing control. Read the label to find the right product for your bug problem.
 - Prevent Bugs
 - [Help] keep bugs out
 - [+]
Use a (Raid Perimeter Protection) (or other sub-brand name for EPA Reg. No. 4822-561) [product] to [help] keep (ants) (roaches) (ants and roaches) (ants, roaches and other listed bugs) (**and other listed bugs**) out [of your home]. Or, spray this product along baseboards, inside cracks, and behind appliances. Do not spray surfaces with more than one pest control product. Read the label to find the right product for your bug problem.

{Optional Marketing Graphics}

{Note to Reviewer: Graphics may be included to aid consumers understanding. Graphics may depict the images of the following and may appear modified in the final printed printed label. The final printed label may incorporate change in color, position, orientation or size.}

{The steel graphic symbol may be used if label space allows it.}

[Contains no CFCs or other ozone depleting substances. Federal Regulations prohibit CFC propellants in aerosols.]
