Subject: Label Amendment – Revising Physical or Chemical Hazards Statement
Product Name: Slinky
EPA Registration Number: 4822-602
Application Date: October 29, 2014
Decision Number: 496758

Dear Ms. Bugalecki:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Decision No. 496758

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Eric Bohnenblust by phone at 703-347-0426, or via email at Bohnenblust.eric@epa.gov.

DIRECTION FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

(Twist to) open (metal) (tin) container.)

Remove coils from (pouch) (container) (box).

(Select (a) tray and bend (position) (lift) tab (metal tab) (pin) (holder) (stand)(coil support) (to upright position))

Align coil with tab (metal tab) (pin) (holder) (stand)(coil support). Insert (press) (mount)(snap) the slot of the coil onto the tab (metal tab) (pin) (holder) (stand)(coil support).

Light outer end of coil until glowing (it glows), then BLOW OUT ANY FLAME.

Place tray(s) (unit(s)) (coil(s) 6 – 10 (8 – 10) feet apart around area (of use)

Each coil lasts (up to)4 hours.

If shorter period of use is desired, carefully lift (remove) coil from the tab (metal tab) (pin) (holder) (stand)(coil support) and extinguish (by pressing the glowing end inside the container (against the tray). The unused portion can (then) be (stored within the (metal) (tin) container and) relit when needed.

(Squeeze sides of metal tab (pin) (stand) (coil support) and fold down to store tray (inside the container).)

(Save the tray (holder) (stand)(coil support) (and container) for use with OFF! Coil Refills ([brand name]). (When repellent coil is completely exhausted (used), save the tray (holder) (stand) (coil support) (and container) for future use with OFF! Coil Refills ([brand name]).

For Best Results: Use only OFF! Coil Refills ([brand name]). Place the coils outdoors in semi-confined areas such as porches, patios, yards and similar areas where there is minimal breeze. Duration and results are affected by airflow and breeze. Do not use in wind. Use one coil for each 10 X 10 (100) square foot area.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a dry place (preferably locked) inaccessible to children and pets and away from sources of heat or ignition. Used trays (holders) (stands) (coil supports), if kept for further use, must be stored out of reach of children and pets.

PESTICIDE DISPOSAL: Before disposing, empty container by using the product according to the label. Used coils: Place ashes in trash. Coil pouch: Do not re-use empty pouch. Place in trash or offer for recycling if available. Container and trays (holders) (stands) (coil supports): Do not reuse or refill except as described in the directions for use. Unused coils: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place any unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Wash thoroughly with soap and water after handling.

General Precautions and Restrictions:

Do not touch lit end of coil. Do not use indoors. Cover any exposed food to avoid contamination. Do not place in direct contact with flammable objects, materials or surfaces.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-558-5252 for emergency medical treatment information.

PHYSICAL OR CHEMICAL HAZARDS: Use with caution to avoid fire hazard. **Do not mix or allow coming in contact with an oxidizing agent as a hazardous chemical reaction may occur.**

ENVIRONMENTAL HAZARDS: Do not apply to water.
