S.C. JOHNSON & SON, INC.

Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment - Amend efficacy claims and add marketing claims and graphics
Product Name: STEM KBR Spritz
Admin Number: 4822-629
EPA Receipt Date: 06/21/2023
Action Case Number: 00476623

Dear Josh Hunnicutt:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

The alternate brand names: STEM Mosquito + Tick Repellent Spritz 2, STEM for Your Skin Mosquito + Tick Repellent Spritz 2, STEM Family Protection Mosquito + Tick Repellent Spritz 2 have been added to the registration. The alternate brand name: STEM On-Body Mosquito + Tick Repllent 2 has been removed from the registration. Our records have been updated accordingly. This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have questions, please contact Kaitlin Saunders via email at saunders.kaitlin@epa.gov.

Sincerely,

Hester Dingle

Hester Dingle, Acting PM 04

KEEP OUT OF REACH OF CHILDREN WARNING / AVISO

ACTIVE INGREDIENT:

Picaridin 20%
OTHER INGREDIENTS..... 80%

[(Refer to back/side panel for additional precautions.)(See additional precautions on back panel.)]

NET CONTENTS: 0.5 fl. oz. - 14 fl. oz.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals -

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Wash thoroughly with soap and water after handling, before eating, drinking, chewing gum, using tobacco, or using the toilet. Discontinue use and consult a doctor if irritation or rash occurs. Call a poison control center for emergencies.

{Note to reviewer: Boxed format or bullets may be used in First Aid section if label space permits}

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-558-5252 for emergency medical treatment information.

PHYSICAL & CHEMICAL HAZARDS:

FLAMMABLE: Do not use near heat or open flame. Keep treated surfaces away from fire, sparks, or flame until dry.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Read and follow all directions and precautions on this product label.

Hold container approximately 6 inches from skin and spray with a slow sweeping motion. Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray indoors in enclosed areas. Use just enough repellent to cover exposed skin. Do not use under clothing. Do not over apply this product. Reapply as efficacy diminishes. Do not apply more than two times per day. For children 1-10 years, only apply one time per day. Frequent reapplication and saturation are unnecessary. Do not apply to children's hands. Do not allow children to handle this product. Spread evenly with hands to moisten all exposed skin. TO APPLY TO FACE: Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. When using on children, apply to your own hands and then put it on the child. After returning indoors, wash treated skin with soap and water.

STORAGE AND DISPOSAL:

PESTICIDE STORAGE: Store away from heat or flame in an area inaccessible to children.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Before disposing, empty the container by using the product according to the label. Do not reuse or refill this container. **If empty:** place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.
