

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505T)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

4822-639

Date of Issuance:

9/3/26

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

KBRFM 10

Name and Address of Registrant (include ZIP Code):

Josh Hunnicutt
S.C. Johnson & Son, Inc.
1525 Howe St.
Racine, WI 53403-2236

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Continues page 2

Signature of Approving Official:

Elizabeth Fertich, Product Manager 04
Invertebrate & Vertebrate Branch 1,
Registration Division (7505T)

Date:

9/3/26

2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 4822-639."
3. Submit one copy of the final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records.

The record for this product currently contains the following CSF(s):

- Basic CSF dated 11/24/2025
- Alternate CSF 1 dated 11/24/2025

If you have any questions, please contact Kaitlin Saunders at 202-566-2890 or at Saunders.Kaitlin@epa.gov.

(ACTIVE INGREDIENT:

Picaridin..... 10%

OTHER INGREDIENTS: 90%)

(or)

{Note to Reviewer: Statement listing all ingredients must be included on pack when referring to single inert with a claim, such as "with Glycerine". Otherwise, simply "Other Ingredients" will be on pack.}

(ACTIVE INGREDIENT:

Picaridin..... 10%

OTHER INGREDIENTS: 90%

Water, Ethanol, Glycerine, Isolan IS, Cetiol OE, [Fragrance,] Carbopol Ultrez 10, [and] Aloe Vera Gel)

NET CONTENTS: 0.5 - 24 fluid ounces (fl. oz.)[15 - 710 mL]

PRECAUTIONARY STATEMENTS: **Hazards to Humans – CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. May cause skin reactions in rare cases. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

{Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits}

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Skin: If you or your child react to this product, wash treated skin and call poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL & CHEMICAL HAZARDS: Combustible: Do not use or store near heat or open flame. Keep treated surfaces away from fire or flame until dry.

DIRECTIONS FOR USE(:)

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Shake well before using. Hold container 6 to 8 inches from skin and spray with a slow sweeping motion. Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin. Do not use under clothing. Avoid over-application of this product. Reapply as effectiveness diminishes, but do not exceed 3 applications per day.

{Note to Reviewer: Option 1: When labeled with children under 11 months - For children (3/6)(-)11 months, do not apply more than one time per day. For children 1-10 years, do not apply more than two times per day.}

{Note to Reviewer: Option 2: When labeled with children 12 months and over - For children 1-10 years, do not apply more than two times per day.}

Do not allow children to handle this product. Spread evenly with hands to moisten all exposed skin.

TO APPLY TO FACE: Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face.

Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child.

[Will not damage fabrics [, including activewear], plastics, watch crystals, and painted or varnished surfaces.]

[(If using) (To use) with sunscreen, apply sunscreen first, allow it to dry then apply insect repellent.]

After returning indoors, wash treated skin with soap and water.

{Note to Reviewer: Optional Assembly instructions for Fresh Mist Refills - Fresh Mist is the internal name of the sprayer}

[Fresh Mist] Assembly instructions for refills(:)

Refill: Remove refill cap [and discard]. Attach sprayer by screwing on [reusable] [(Fresh Mist)] sprayer. Bottle/

Sprayer: Slide button on top of sprayer forward to "on" position. When not in use, slide button backwards for "off" [lock] position. Red indicator will be visible when in "off" [lock] position.

STORAGE AND DISPOSAL(:)

PESTICIDE STORAGE: Store away from heat or flame in an area inaccessible to children. **PESTICIDE DISPOSAL AND**

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency or

1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.
