

# Sentinel

EPA Registration  
Number 4823-4

**WARNING**  
**Keep Out of Reach of Children**  
**For Industrial Use Only**

**See First Aid and other Precautions on side panel.**

SENTINEL is recommended for cleaning, disinfecting and deodorizing hard surfaces such as floors, walls, ceilings, equipment and fixtures in areas such as rest rooms, corridors and class rooms. In public institutions and schools SENTINEL can be used for cleaning, disinfecting and deodorizing all hard surface areas such as corridors, class rooms, offices, rest rooms, locker rooms and showers.

**DIRECTIONS**

For cleaning, disinfecting, and deodorizing floors, walls, surfaces as found in institutions, public rooms, homes, conveyances and industrial areas:

1. Apply a solution of one ounce SENTINEL in four and two-thirds quarts of water using a mop as applicator.
2. In instances where surfaces are heavily contaminated with soil and/or organic matter, apply solution twice to insure maximum protection offered by this product. Surfaces to be treated should be wet thoroughly for maximum germicidal and detergent activity.

Rinse empty container thoroughly with water and discard it.
