256

DETERG-O-PHENE 1:256 is a concentrated broad spectrum, soapless germicidal detergent. At a dilution of ½ ounce per gallon it kills S. aureus, S. typhosa, Ps. aeruginosa, M. tuberculosis, and T. interdigitale when used according to directions.

**DIRECTIONS FOR USE**

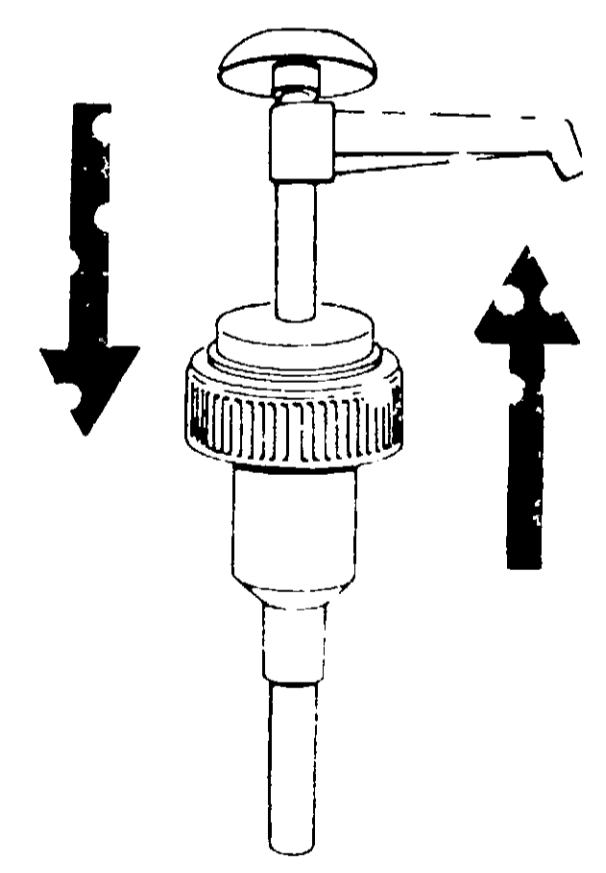

DETERG-O-PHENE 1:256 is a concentrated germicide. It must be diluted according to directions. DETERG-O-PHENE 1:256 contains a water-softener and is soluble in medium hard water as well as soft water.

Tuberculocidal Disinfection, General Disinfection and for General Cleaning

For tuberculocidal disinfection, thoroughly wet all surfaces with the recommended dilution. For general disinfection and for all general cleaning use ½ oz. of DETERG-O-PHENE 1:256 to one gallon of water (1:256).

To assure accuracy of measurement squirt ½ ounce of DETERG-O-PHENE 1:256 into one (1) gallon of water by pressing the pump dispenser down once, allow pump dispenser to return to starting position (one complete up-down trip) (see sketch).

For heavy build up of soil use two or three complete strokes per gallon of water. Used as directed DETERG-O-PHENE 1:256 is not harmful to resilient tile, terrazzo, and painted surfaces.

Net Contents ½ gal.
