

EPA Reg. No. 4828-1

**MANUFACTURING CHEMISTS**

**WK 24CD**

For the control of Broadleaf Weeds on Park Courses, A one Round, Once Row.

**ACTIVE INGREDIENTS**  
 Dimethylammonium salt of 2, 4-Dichlorophenoxyacetic acid  
 Equivalent to 40% 2, 4-dichlorophenoxyacetic acid or not less than 4 lbs 2, 4-dichlorophenoxyacetic acid per gallon

**INERT INGREDIENTS**

**CAUTION:**  
 Keep Out of REACH of CHILDREN  
 (see back panel for additional cautions)

NET CONTENTS: 1 Gallon

APR 23 1981

4828-1

"ONLY FOR SALE TO, USE, AND

STORAGE BY SERVICE PERSONS."

#### DIRECTION FOR USE

**WEEDS CONTROLLED:** Bid weed, Buckhorn, Burdock, Buttercup, Canada Thistle, Chickweed, Chickory, Curled Dock, Dandelion, Golden Rod, Ground Ivy, Honeysuckle, Morning Glory, Mustard, Plantain, Poison Ivy, Smartweed, Sumac, Sunflower, Wild Garlic, Wild Lettuce, Wild Onion, Wild Radish, Willow. Plus many other, broad-leaf weeds.

**CONTROL OF TURF WEEDS** -- 1/4 to 1 ounce in 1 to 2 gallons of water, per 1000 sq. ft. or 1 to 1 1/2 quarts per acre, in sufficient water for uniform coverage.

**APPLICATION** -- Apply when weeds are actively growing - preferably in the Spring or Fall, and on warm, sunny days. Do not use on newly seeded lawn. Do not mow lawn for several days before or after treatment. Treat newly seeded lawn only after second mowing. Do not use on creeping grasses except for spot spraying. A light treatment may injure white clover -- repeated treatments will kill it. Perennial and other hard to control weeds may require a repeat application to give adequate control.

#### CAUTIONS

Do not take internally. Avoid contact with skin, eyes or clothing. Flush eyes with clear water. Call Physician immediately. Avoid inhaling spray mist. Avoid spray drift to susceptible plants, flowers, fruits, vegetables and ornamentals.

Use a coarse spray which is less likely to drift than a fine mist spray. Do not contaminate water used for irrigation or domestic purposes. Do not transport with or store near seeds, fertilizers, fungicides or insecticides.

Do not use spray equipment for any other purpose, since traces of this product may be harmful to sprayed vegetation.

Do not reuse shipping containers; destroy by crushing and burying where possible.

Store above 32°F. If frozen, warm up to above 40°F and agitate before using. Do not store with foodstuffs.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and handling is contrary to label instructions.
