

[4828-46]

Cameraman's Note

Poor Copy

**REPEL**

**Insect Repellent**

(NOT AN INSECTICIDE)

Spray all exposed areas of the skin except the face from approximately 6 to 8 inches away. To apply to the face, spray on hands and spread over the face, but keep out of the eyes and mouth. Repeat when necessary to continue effectiveness. To resist chiggers, fleas and ticks, spray as above, and also spray on stockings, cuffs of pants and other openings in outer garments to create a wall or barrier against insects.

Note: Safe on nylon, orlon, cotton and wool. Do not use on dynel or acetate rayon.

Repel may damage some plastic materials, painted surfaces or furniture.

**CAUTION**

This container is under pressure. Do not use near open flame. Do not expose to heat or store at temperatures above 120°F. Keep away from direct sunlight, stoves, radiators, hot water and other heat sources. Do not puncture container or incinerate. Do not throw into fire even when empty.

**CAUTION**

Avoid Contact with Eyes and Lips
