TO ATTACHED COMMENTS.

# ERASE

Erase mixes quickly and easily with water. It provides fast knockdown and prompt effective kill.

NOTE: Erase can only be sprayed. Do not use in fog or rain.

### 1. OUTDOOR CONTROL OF ADULT MOSQUITOES AND OTHER SMALL FLYING INSECTS:

Use 2 1/2 cups (20 fl. ozs.) of Erase to make 1 gallon of spray. Apply as a spray with a suitable pressure sprayer to lightly mist areas frequented by mosquitoes. A gallon of diluted Erase spray should cover 5,000 square feet. Repeat application as necessary.

### 2. OUTDOOR CONTROL OF FLIES:

Use 1 gallon of Erase per 6 gallons of water. Apply 1 gallon of mixture per 1,000 square feet over exterior surfaces, vegetation and refuse where these insects congregate. Repeat application as necessary.

### 3. OUTDOOR CONTROL OF ANTS, WATERBUGS AND COCKROACHES:

Use 1 gallon of Erase per 4 gallons of water. Apply as a coarse spray in such areas as around city dumps, refuse piles, garbage cans, manure piles, sewage disposal installations, alleys, nest openings, and foundations where these insects breed or congregate. Repeat application as necessary.

### 4. OUTDOOR CONTROL OF MOSQUITO LARVAE IN STANDING WATER:

Mix 2 quarts of Erase with 12 gallons of water, and apply this mixture per acre

using appropriate air or ground spray equipment.

## CAUTION

Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid breathing spray mist. Wash with soap and water in case of skin contact. Avoid contamination of feed and foodstuffs. Do not spray on crops in field or in storage. Do not spray near or into open fire as product is flammable.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, ponds, streams, tidal marshes and estuaries. Do not contaminate water by cleaning of equipment, or disposal of wastes; apply this product only as specified on this label. Do not contaminate any domestic drinking water. Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. Avoid prolonged or repeated contact with skin. Wash thoroughly after using.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
