Proposed Back Label

"SQUELCH" INSECTICIDE

For use in Food Processing Plants, Institutions, Storage Areas, Homes, Hotels and Motels, Schools, Cafeterias, Industrial, Bottling Plants, Country Clubs, Department Stores and other Commercial Installations, Summer Camps, etc.

TO KILL FLIES, MOSQUITOES AND GNATS - Close room and spray all parts of room. Use 2 or 3 ounces per 1000 cubic feet of space. Leave room closed for at least 10 minutes. Sweep up dead insects. Repeat as often as needed.

TO KILL CLOTHES MOTHS AND CLOTH MITE - Spray all articles to be protected. Pay particular attention to folds and seams. Spray regularly inside surfaces of closets, chests and trunks. Repeat every 30 days unless articles are stored in a moth-tight container.

TO KILL BEDBUGS - Spray bed frame and springs thoroughly, forcing spray into all cracks and openings. Spray both sides of mattress, back of baseboards, loose wallpaper and all cracks where bugs may be concealed. Repeat whenever necessary.

TO KILL GRAIN BEVILS, CADLLES, GRAIN MITHS, FLOUR BEETLES AND GRAIN MITER (ACCESSIBLE STAGES) - Wet surfaces thoroughly. Treat all infested areas, insect runways and hiding places at rate of 1 gallon of SQUELCH per 525 square foot of area which is point of run-off, hitting insects directly with spray. Repeat when necessary.

TO KILL FLEAS (INFESTING HUMANS) - Remove and destroy animal's bedding and spray sleeping quarters freely, forcing spray into all cracks in floor and about the room. Repeat when re-infested. Do not apply to animals.

TO KILL ANTS - Use spray so as to wet as many insects as possible, paying particular attention to nests and runways.

CAUTION

Harmful if swallowed. Avoid contamination of food and feedstuffs during spraying. Do not store, pour or spill near heat or open flame. Keep container closed. Foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. ~~When using SQUELCH as a space spray in these areas, apply only when the plant is not in operation.~~

Remove pets, birds and cover fish aquariums before spraying.

Do not remain in treated areas. Ventilate the area after treatment is completed.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
