## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

### STATEMENT OF PRACTICAL TREATMENT

**IF SWALLOWED:** Do not induce vomiting. Call a physician or Poison Control Center immediately.

**IF INHALED:** Remove to fresh air.

**IF ON SKIN:** Wash with soap & water.

**IF IN EYES:** Flush eyes with plenty of water.

**NOTE TO PHYSICIAN:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

### STORAGE AND DISPOSAL

**STORAGE:** Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Do not reuse container. Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

For use in Bakeries, Food Plants, Food Handling Plants, Hospitals, Schools, Hotels, Motels, Office Buildings, Industrial Plants, Municipal Buildings and Restaurants.

### TO KILL MOSQUITOES, FLIES, GNATS, FLYING MOTHS:

Saturate room areas with spray. Close all doors and windows, then fill room with mist. Excellent results obtained by using an electric sprayer. Leave treated area while spraying. After completion of treatment, keep room closed for 15-30 minutes. Ventilate room when treatment is completed.

### TO KILL WASPS:

Spray liberally into hiding and breeding places to contact as many insects as possible. Apply in late evening when insects are at rest. Repeat as necessary.

### TO KILL ROACHES, WATERBUGS, EARWIGS, TRAIN MITES, SOYBUGS, SPIDERS AND CENTIPEDES:

Spray thoroughly into cracks, crevices, damp areas, under refrigerators, baseboards and storage areas and into openings around pipes and sinks. Repeat when necessary.

## CAUTION

Harmful if swallowed. Do not use near or toward an open flame. Do not use this product as a space spray. In food processing plants, foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Do not use this product in these areas unless facility is not in operation.

Do not remain in treated areas until the area after treatment is completed.

This product is toxic to fish, shellfish, and birds. Do not use near or toward water, but do not contaminate water by cleaning equipment or disposal of waste. Apply this product only as specified on label.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
