# Pine Odor Disinfectant - 1

PINE ODOR DISINFECTANT-1 is designed for use in Industrial Plants, Motels, Hotels, Schools, Office Buildings and other commercial installations.

Disinfects, deodorizes and cleans. Leaves a pleasant after aroma of clean pine. Remove all gross filth and dirt before applying disinfectant.

Disinfecting Hard Surfaces in Rooms, Toilet Seats and Empty Garbage Cans - Pour 1 part of disinfectant into a pail and add 100 parts of water (4 oz. disinfectant to 12 quarts of water) Stir before use. This solution can be used to mop, wash or rinse.

Disinfecting Toilet Bowls - Pour 4 oz. of the disinfectant into the water in the toilet bowl and swab around the bowl. Flush toilet and swab with the clear rinse water several times.

Floor Scrubbing - Dilute 4 oz. of disinfectant with 12 quarts of water. Add water to disinfectant then scrub and rinse floor.

Note: Keep tightly closed when not in use. When warm, disinfectant may become cloudy, but will clear up when cooled. This does not impair its efficiency.

**CAUTION!**  
**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.**  
Harmful if swallowed. Avoid contact with eyes. Avoid contact of concentrate with the skin. May cause severe skin and eye irritation. Avoid contamination of feed and foodstuffs.  
Keep away from domestic animals. Rinse empty container thoroughly with water and discard it.

Seller makes no warranty, expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
