

DEO - PINE

RECEIVED
DEC 27 973

For best results from this Pine Odor Disinfectant, clean surfaces to remove dirt and filth from the surface by using a good cleansing agent before disinfecting.

Dilute this product with water prior to use for most economical cost and results.

For Disinfecting of floors, walls and interiors of Hospital areas, Food Processing Plants, Nursing Homes, Kitchen Tables, Drainboards, Refrigerators, Glass Surfaces, Soda Fountains, Cooling Rooms and Garbage Cans, use a solution of 3 ounces of this product per gallon of water. Treated food contact surfaces must be thoroughly scrubbed with detergent and rinsed with potable water prior to reuse. Apply solution by mopping, wiping or by spray depending on accessibility to surface to be disinfected. Make sure surfaces are thoroughly wet down with the use dilution.

For Disinfecting Toilet Seats, Urinals, Toilet Rooms, Floors and basements - Mop on surface a solution of 3 ounces of this product per gallon of water.

If application by mopping is not feasible, apply by wiping or by spraying depending on accessibility to surface. Make sure entire surface is thoroughly wet down with the diluted solution.

WARNING!

Keep out of Reach of Children. Causes eye or skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Rinse empty container thoroughly with water and discard it. Do not reuse empty container. Return to container reconditioner if container is a steel drum. Keep away from domestic animals.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available drink large quantities of water. Avoid alcohol. Call a physician.

Seller makes no warranty, expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
