

# MINTENE

A pleasant mint aroma characterizes this product. Use MINTENE in Schools, Motels, Hotels, Industrial Plants, Office Buildings and most other commercial installations.

Remove all gross filth and dirt before applying. Disinfects, deodorizes and cleans Rest Room floors, walls, Toilets, Urinals, Woodwork, sinks, telephone booths, garbage cans, refrigerators, drainboards, glass surfaces and kitchen tables.

## DIRECTIONS

Use a solution of 3 oz. of disinfectant per gallon of water. Stir before use, and apply by mop, sponge, rag or spray. Rinse thoroughly with water after application to Toilet Seats or Exterior bowl surfaces, Urinals, Sinks, Phone Booths, Garbage Cans, Refrigerators, Drainboards and Glass.

Note: Before using on Toilet Seats or exterior bowl surfaces, remove the residual bowl water prior to applying the use solution.

For Hard Surface Cleaning such as floors — apply a solution of 4 ounces of disinfectant in 12 quarts of water. Scrub surface, then rinse thoroughly.

Important: When used on treated food contact surfaces, the surfaces must be thoroughly scrubbed with detergent and rinsed with potable water prior to reuse.

## WARNING!

### KEEP OUT of REACH of CHILDREN

Causes eye or skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available drink large quantities of water. Avoid alcohol. Call a physician.

Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
