

COASTAL

Use a Coastal Measure Aid, or a Clean, Dry Spoon or Scoop Made of Metal, Ceramic, Plastic or Glass.

For freshly filled pools, use 4 Tablets per 1000 gallons of water daily (6 Tablets weigh approximately 1 oz.). When completely dissolved, Tablets provide recommended chlorine residual. Repeat dosage as needed to maintain a chlorine residual of 0.6 to 1.0 ppm. During extreme heat or with heavy bather load, add proper number of Tablets every 2 hours. Place proper number of Clor Aid Tablets in dispenser sold for this purpose and immerse below water surface. Test water frequently using Coastal Test Kit (available at your dealer) to insure required chlorine content of 0.6 to 1.0 ppm. A ph range of pool water between 7.2 to 7.8 should be maintained.

Because this content contains over 10% available chlorine, we must (by law) label it "Poison". Recommended solutions are not classified as poisonous.

Precautions: Irritating to skin and lungs. Causes eye damage. Strong Oxidizing Agent.

Contact with heat, friction, moisture, foreign materials,* or contamination from any source, may result in fire. Never mix with other materials. Harmful if swallowed. Do not get in eyes or on skin. Store in cool, dry place. Keep closed when not in use. Keep away from heat, fire and combustible materials. Rinse empty container thoroughly with water and discard it.

Antidote: Call physician. **External:** Wash with water. **Internal:** Drink raw egg, milk or rice gruel. Follow with emetic (tablespoonful of mustard in glass of warm water). *Some of the foreign materials which could cause fire are: Oils, grease, paint, thinners, solvents, cosmetics, suntan lotions and creams, sugars, syrups, beverages, fertilizers, blood, sours, dead vegetation, and other organic material.

MADE AND PRINTED IN U.S.A.

E.P.A. Registration No. 4829-5

11114 JHGF

NET WEIGHT: 15 LBS. AVDP.

ACTIVE INGREDIENT:	
Calcium Hypochlorite	70%
INERT INGREDIENTS:	30%
Total	100%

DANGER:

KEEP OUT OF REACH OF CHILDREN
AVOID CONTAMINATION OF FOOD
AVOID CONTACT WITH SKIN AND EYES

See Antidote Statement and other precautions on the back/side panel.
