

DANGER: Caustic. Keep Out of Reach of Children. May be fatal if swallowed. Do not breathe vapor or fumes. May produce chemical burns. Do not get in eyes, on skin or on clothing.

FIRST AID - Internal - Drink a teaspoon or more of magnesia, chalk, or small pieces of soap, softened with water in milk or raw egg white. In case of ingestion or injury, call physician immediately.

External - Wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

CAUTION: Use only on acid-resistant toilet bowl and urinal surfaces. Rinse empty container thoroughly with water and discard it. Store in cool, dry place.

BOWL CLEANER

disinfects • cleans • deodorizes

DISSOLVES SCALE • ELIMINATES
ODORS • REMOVES IRON STAINS

DIRECTIONS FOR URINAL CLEANING

First pour Bowl Cleaner over mop allowing excess to drain into basin of urinal. Then clean all parts of urinal thoroughly, making sure all indentations, water outlets and grooves are reached. To deodorize, remove basin outlet screen and pour 1 to 4 ounces of solution into and around the area allowing solution to flow into drain pipe. Swab all parts completely including inside of pipe outlet. Replace screen, flush urinal and rinse thoroughly all parts to which this product has been applied.

DIRECTIONS FOR TOILET BOWL CLEANING

Use 1 to 4 ounces per bowl. First remove excess water by forcing it over trap with mop. Then press mop free of excess water. Draining into toilet bowl, pour Bowl Cleaner over mop and clean all parts thoroughly. Be sure to reach under the rim at water outlets. Swab entire bowl, seat and cover with solution. After cleaning and disinfecting, completely rinse every part to which Bowl Cleaner has been applied.
