See additional precautions on back panel.

NET WEIGHT: 1 lb. 2 oz.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Biotech Surface Disinfectant Spray Q500 is an effective disinfectant, temporary air sanitizer and deodorizer, for use in hospitals, nursing homes, clinics, schools, physicians and dentists offices, industrial plants, restrooms, homes and offices.

Kills Staph. and Strep. organisms, Pseudomonas aeruginosa, Escherichis coli, Klebsiella pneumoniae, Shigella flexneri, Proteus vulgaris, Salmonella choleraesius, Enterobacter aerogenes, and yeast (Candida albicans) on environmental hard surfaces. Retains disinfectant effectiveness in the presence of organic matter.

Use on toilet seats, wash basins, door knobs, waste baskets, lockers, shower curtains, mattress covers, laundry carts, closets, bowling shoes, athletic equipment, bed frames, diaper pails, telephones, hampers and other similar areas and equipment. Deodorizes and reduces the hazard of cross-infection from environmental surfaces.

WARNING: FLAMMABLE! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Causes eye irritation. Do not get in eyes. In case of contact with eyes, flush at once with water. If irritation persists, get medical attention. Avoid prolonged contact with skin. Avoid breathing spray mist. Avoid contamination of food.
