EPA Letter Dated

OCT 9 1985

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

4829-110

SHOCK TREATMENT AND SUPER CHLORINATOR FOR SWIMMING POOLS

ACTIVE INGREDIENT: Calcium Hypochlorite 50%
INERT INGREDIENTS: 50%
AVAILABLE CHLORINE: 50%

KEEP OUT OF REACH OF CHILDREN
DANGER!

See Precautionary and First Aid Statements on Back Panel.

NET WT. 1 LB. (454 Grams)

EPA Reg. No.

EPA Est. No. 4829-NJ-1

(BACK PANEL)

ALWAYS USE ENTIRE CONTENTS WHEN OPENED

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Turn on filter. Adjust pH to the range of 7.2 to 7.6 prior to using TNT SHOCK. To control algae and reduce organic contamination in pool water, add 1 lb. TNT SHOCK per 8,000 gallons of water. Add the total contents of this package by broadcasting (sprinkling) it over a large area of the pool surface, paying particular attention to the deep end.

IMPORTANT: Add TNT SHOCK at night or when pool is not in use. To prevent any possible bleaching effect on vinyl lined pools, either use a pool brush to disperse any undissolved granules settling on the bottom of the pool or predissolve the product in a clean plastic bucket of water. Then sprinkle the solution into the pool. Do not enter the pool until the free chlorine residual has dropped below 3.0 ppm. Use TNT SHOCK weekly during periods of heavy use or when water temperatures are above 80°F; add once every 2 weeks in residential pools receiving normal usage. Between treatments, use Coastal sanitizers and pool chemicals to maintain the proper water balance.

WINTERIZING: Adjust pH to 7.2 - 7.6. Add 1 lb. TNT SHOCK per 8,000 gallons of water in accordance with the above described DIRECTIONS FOR USE. Run filter until completely dispensed. Then cover the pool with a Coastal pool cover and prepare the heater, pump and filter components for winter by following manufacturers directions.

STORAGE AND DISPOSAL: Store this product in original container in a cool, dry, well-ventilated area away from heat or open flame. In case of decomposition, isolate container (if possible) and flood area with large amounts of water to dissolve all material before discarding this container. Do not contaminate food or feed by storage, disposal, or cleaning of equipment. The container is designed for one time use. Do not reuse, empty container, but place in trash collection.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: Highly corrosive. KEEP OUT OF REACH OF CHILDREN. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Do not handle with bare hands. When handling, wear rubber gloves and goggles or face shield and use only thoroughly clean, dry utensils. Irritating to nose and throat. Avoid breathing dust and fumes. Remove and wash contaminated clothing before reuse.

(BACK PANEL CONT'D)

FIRST AID (Practical Treatment): If on skin: brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention. If inhaled: remove person to fresh air. Get immediate medical attention. If in eyes: flush with cold water for at least 15 minutes. Get immediate medical attention. If swallowed: give bread soaked in milk, followed by large amounts of water. If person is conscious and vomiting, place face down with head lower than hips. Get immediate medical attention.

CHEMICAL HAZARDS, DANGER: Strong oxidizing agent. Mix only into water. Contamination may start a chemical reaction with generation of heat, liberation of hazardous gases and possible fire and explosion. Avoid any contact with flame or burning materials, such as a lighted cigarette. Do not contaminate with moisture, garbage, dirt, organic matter, other pool chemicals, household products, solvents, acids, oils, dirty rags, paint products or any other foreign matter.

ENVIRONMENTAL HAZARD: This pesticide is toxic to fish. Do not contaminate lakes, ponds, or streams by cleaning of equipment or disposal of wastes.
