

CAUTION: Harmful if swallowed. Avoid contact with skin. Avoid contact with eyes. Wash thoroughly after using. Keep out of reach of children. Do not contaminate food, feed, or drinking water. Do not apply to pets, birds or humans. Remove fish bowls and bird cages from room while spraying. Do not spray on plastics, asphalt tile or furniture. Do not use near heat or open flame. (A combustible mixture.)

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

COOK'S INSECT KILLER

READ ENTIRE LABEL

USE STRICTLY ACCORDING TO DIRECTIONS, CAUTIONS AND WARNINGS, FOR SAFETY

This is a residual spray, effective against crawling insects. You don't have to spray each bug!

Roaches, Ants, Waterbugs, Silverfish, Spiders, Crickets: Spray heavily into all cracks, around baseboards and other places where these insects hide. Also wet-spray surfaces behind and beneath cabinets, refrigerators, sinks, stoves. Spray other localized areas infested with these pests. Repeat treatment as required.

Carpet Beetles and Clothes Moth Larvae in Carpets and Rugs: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks of closets and infested areas of shelving. Repeat as necessary.

Flies, Mosquitoes, Wasps and Flying Moths Outdoors: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screen, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

Fleas, Chiggers, Ants, and Brown Dog Ticks Outdoors: For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as the infestations occur. Residual-type spray. Odorless, stainless, kills even resistant roaches, ants and flies.

KILLS: ROACHES, WATERBUGS, ANTS, FLEAS, TICKS, SPIDERS, SILVERFISH, CARPET BEETLES, WASPS.
