

ACCEPT. D
 Oct 2, 1972
 UNDER THE FEDERAL INSECTICIDE
 FUNGICIDE AND RODENTICIDE ACT
 FOR ECONOMIC POISON REGISTERED
 UNDER NO. 4887-106

DIRECTIONS FOR USE
ROACH CONTROL

Dust on surfaces behind sinks, refrigerators, stoves and cabinets that are not accessible to animals, pets, and children. Also apply to cracks and crevices where insect infestation may be found. Any powder visible after application is complete should be carefully brushed into cracks and crevices or else removed. No generalized dusting should be done in household areas accessible to children and pets. Repeat as needed to maintain adequate control.

WARNING

May be fatal if inhaled or swallowed. Do not breathe dust. Do not contaminate feed and foodstuffs. Keep out of reach of children and domestic animals. Wash thoroughly after handling. Store in a dry place.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CONTAINER DISPOSAL: Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.

DIRECTIONS FOR USE ROACH CONTROL

Dust on surface behind small refrigerators, stoves and cabinets that are not accessible to animals, pets, and children. Also apply to cracks and crevices where a roach infestation may be found. Any powder visible after application is complete should be carefully brushed into cracks and crevices or else removed. No organized dusting should be done in household areas accessible to children and pets. Repeat as needed to maintain and prevent infestation.

WARNING

May be fatal if inhaled or swallowed. Do not breathe dust. Do not contaminate feed and foodstuffs. Keep out of reach of children and domestic animals. Wash thoroughly after handling. Store in a dry place.
