BEST AVAILABLE COPY

Dear Mr. Morris:

Subject: IO-Foam Concentrate
EPA Registration No. 4959-14
Your Resubmission Dated September 20, 1990

A review of your resubmission with a revised Confidential Statement of Formula has been conducted and it agrees with the label, therefore it is acceptable. The ingredient statement on the label is in compliance with the current EPA Label Improvement Program and is acceptable.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records. Five (5) copies of the finished labeling must be submitted before you release the product for shipment.

The container disposal instructions should be grouped under the heading "Container Disposal" and pesticide disposal instructions under the heading "Pesticide Disposal."
