Kansas City, MO 64105

Attention: Dollie Howser
Regulatory Specialist

Subject: Lo-Foam Concentrate
EPA Registration Number 4959-14
Your Amendment Dated November 15, 2000

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, to revise your label per PR Notice 2000-3 will be acceptable provided that you make the labeling changes listed below before you release this product for shipment bearing the amended label.

1. Under the "First Aid Statement" revise the "If Swallowed" to read:
 - o Call poison control center or doctor immediately for treatment advice.
 - o Have person sip a glass of water if able to swallow.
 - o Do not induce vomiting unless told to do so by the poison control center or doctor.
 - o Do not give anything by mouth to an unconscious person.

2. For Toxicity Category I eye and skin irritants, use the following "Note to Physician".

"Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage."

A stamped copy is enclosed for your records. Submit one copy of the final printed label before you release the product for shipment bearing the amended label.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

IF SWALLOWED: Call a Poison Control Center or doctor for treatment advice. Do not induce vomiting. Drink promptly a large quantity of milk, egg white, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol.

STORAGE AND DISPOSAL

STORAGE: Keep container closed when not in use. Store at room temperature (59°-86°F). Do not contaminate water, food or feed by storage or disposal.

PESTICIDE DISPOSAL: In case of spill, flood area with large quantity of water, washing to sewer or collection vessel. Waste resulting from use of this product may be disposed of on site or at approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty liner, then dispose of liner in a sanitary landfill or by incineration, if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in same manner.
