Subject: **Acidet Acid Sanitizer**
EPA Registration Number 4959-29
Letter Dated April 14, 2003

Dear Ms. Howser:

The following amendment, submitted in connection with registration under section of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with comment:

Proposed Amendment:

- revised First Aid statement PR Notice 2001-1

General Comments:

Under the heading Farm Use, correct the produce name to read "Acidet Acide Sanitizer" in the sentence.

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product.

KEEP OUT OF REACH OF CHILDREN DANGER

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals.

Corrosive. Causes eye damage and skin burns. Harmful if swallowed or absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Do not mix ACIDET ACID SANITIZER with Chlorine Sanitizers or Chlorinated Cleaners. A harmful gas is formed.

PHYSICAL AND CHEMICAL HAZARDS: Do not use or store near heat or open flame.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

FIRST AID	
If in Eyes	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing. Call a Poison Control Center or doctor for treatment advice.
If Swallowed	<ul style="list-style-type: none"> Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or doctor. Do not give anything to an unconscious person.
If on Skin or Clothing	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.
If Inhaled	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency treatment information.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.	

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

All surfaces should be cleaned and rinsed before sanitizing with ACIDET ACID SANITIZER. At a use dilution of 1 oz. per 5 gallons of water, ACIDET ACID SANITIZER provides 300 ppm of dodecylbenzenesulfonic acid.

On pre-cleaned food contact surfaces Acidet Acid Sanitizer is effective against *Salmonella choleraesuis*, *Listeria monocytogenes* and *Escherichia coli*, 0157:H7, Hemorrhagic.

FARM USE

For Milk Cans and Inflatons: Clean with a suitable detergent and rinse with potable water. Flush an Acid Acid Sanitizer solution of 1 oz. to 5 gal. of water through the system. Do not recirculate. Be sure the solution is in contact with food-use surfaces for 1 to 2 minutes. Drain the solution thoroughly.

Hand Utensils: Scrape or pre-clean dirty utensils. Clean using a manual cleaner, following label directions. Rinse with potable water. Soak or spray utensils/inflatons with Acidet Acid Sanitizer solution (1 oz./5 gal. of water). After 1 to 2 minutes contact time, drain solution thoroughly. Prepare a fresh solution daily or more often if the solution becomes soiled or dirty.

KEEP OUT OF REACH OF CHILDREN

DANGER. CORROSIVE.

 See side panel for additional
Precautionary Statements.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage and disposal.

Storage: Store the product in cool, dry place. Keep out of reach of children.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse. Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incinerator, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
