PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

KEEP OUT OF REACH OF CHILDREN DANGER

CORROSIVE. Causes eye damage and skin damage. Do not get in eyes, on skin or on clothing. Wear protective goggles or face shield and rubber gloves when handling. Harmful if swallowed. Wash thoroughly with soap and water after handling.

PHYSICAL and CHEMICAL HAZARDS:

Mix only with water following label directions. Do not mix with chlorinated cleaners or sanitizers. Toxic chlorine gas will be formed. Contact with soft metals may generate hydrogen gas.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge into lakes, streams, ponds or public waters unless in accordance with a NPDES permit. For guidance, contact the regional office of EPA.

STATEMENT OF PRACTICAL TREATMENT

If on skin: In case of contact, immediately flush skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

If in eyes: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention.

If swallowed: Drink large quantities of water. Do not induce vomiting. Never give anything by mouth to an unconscious person. If vomiting does occur, repeat giving several glasses of water. Avoid alcohol. Get medical attention.

STORAGE AND DISPOSAL

Storage: Keep container closed when not in use. Do not use for extended periods.

Pesticide Disposal: Do not contaminate water, food, or feed. Pesticide wastes are acutely hazardous. Improper disposal of waste or rinsate is a violation of Federal law. If a spill occurs, dispose of by use according to label instructions, contact the Environmental Control Agency, or the Hazardous Waste Agency, or the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse (or equivalent). Then reclean, or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities, by burning.

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the products registered under EPA Reg. No. 4959-44

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Food Processing and Dairy Equipment:

Clean all surfaces with a West Agro chlorinated alkaline solution following directions.

Sanitize equipment prior to use with a solution of 100 ppm of decanoic and nonanoic acid sanitizing solution through CIP or COP systems for a minimum of 15 minutes. Completely drain solution and allow to air dry. For manual operation, the prepared use solution may not be re-used for sanitizing other purposes such as cleaning. For manual operation, the solution should be prepared daily or more often if the solution becomes cloudy.

Follow State and local Health Department regulations for sanitizing food processing and dairy equipment.

Regular use of ECONOSAN will prevent formation of mineral scale on food contact surfaces.
