DIRECTIONS

Read all directions carefully before using.

GENERAL: Point spray away from people, plants and pets. Do not use as a space spray. For spot treatment only.

TO KILL FLEAS IN CARPETS AND RUGS: First, vacuum carpet or rugs to be treated thoroughly. Be sure to discard contents of vacuum cleaner in such manner as to prevent re-infestation. Spray surface to slight dampness. Do not saturate. Holding can 18" to 24" above area to be treated, spray with a sweeping pattern back and forth to insure complete coverage. Spray along baseboards, window and door frames, wall cracks, and local areas of floor. Open windows and allow to air dry for at least two hours. Do not use on upholstered furniture.

KEEP ALL CHILDREN, ADULTS AND PETS out of area until completely dry. Re vacuum treated area after carpet or rug is dry. Repeat treatment as necessary.

FOR PET AREAS AND SLEEPING QUARTERS: Remove and destroy old bedding. Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as necessary. Fresh bedding should be placed in animal quarters after spray has dried. Do not spray animals.

CAUTION. KEEP OUT OF REACH OF CHILDREN May be harmful if swallowed, inhaled or absorbed through skin. Avoid inhalation of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes and clothing should be avoided. Wash thoroughly with soap and water after handling. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Remove pets and cover fish bowls before spraying. If poisoning occurs, get prompt medical aid.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

Flammable: Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. **DISPOSAL:** Do not reuse empty container. Wrap and put in trash collection.

ACTIVE INGREDIENTS: Pyrethrins 050%; Piperonyl butoxide technical 100%; N-octyl bicycloheximene dicarbamate 156%; Chlorpyrifos (O-diethyl 0-3,5,6-trichloro-2-pyridyl) phosphorothioate 500%; Petroleum distillate 95-899; Aromatic petroleum distillate 285.

INERT INGREDIENTS: 3.000% TOTAL 100.000%

100% consists of 98% poly carbonyl, 1,6-propanediol, ether and 02% related compounds.
