QUALITY PRODUCT

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed. May be absorbed through the skin. Avoid breathing of spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling and before smoking or eating. Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated by this spray.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED** — Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

**IF INHALED** — Remove victim to fresh air. Apply respiration if indicated.

**IF ON SKIN** — Remove contaminated clothing and wash affected areas with soap and water.

**IF IN EYES** — Flush eyes for at least 15 minutes with water. Call a physician if irritation persists.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**STORAGE AND DISPOSAL**

Do not reuse empty container. Wrap container and put in trash collection.

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

Pesticide, spray mixture or residue that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Reseal container and offer for reconditioning or triple rinse (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill or bury in a safe place. Consult federal, state or local disposal authorities for approved alternative procedures.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR SPOT APPLICATION ONLY.**  
**DO NOT USE AS A SPACE SPRAY.**

Spray infested surfaces until wet.

Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Remove pets and cover fish bowls before spraying. Do not allow children to contact treated surfaces until surfaces are completely dry.

**TO KILL ANTS, SILVERFISH, CRICKETS:** Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks, crevices, along baseboards, and door sills and frames, behind and beneath sinks, stoves, refrigerators, cabinets and around garbage cans, plumbing and other utility installations. Pests flushed out of hiding should be sprayed directly. Treat ant trails, nests and points of entry. Repeat treatment as necessary.

**TO KILL WASPS:** Treat surfaces around light fixtures or porches, in garages and other places where these insects alight or congregate.

**TO KILL FLEAS, CHIGGERS, ANTS — OUTDOORS:** For treatment of localized infestation of these insects in outdoor areas, spray weeds and bushy non-crop areas around the home thoroughly. Avoid spraying desirable plants. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestations occur.
