**DISPOSAL**

Do not reuse empty container.  
Wrap container and put in trash collection.

**Lice:** Spray on garments, bedding, mattresses, furniture, floors, carpeting and inanimate surfaces. First spray an inconspicuous area to test for possible staining or discoloration. Inspect after drying, then proceed to spray entire area to be treated.

Hold can upright with nozzle away from you. Press button and spray surface to be treated from a distance of 10 inches. Spray each square foot for 3 seconds, directing spray into all infested surfaces until moist.

**For bedding:** Make sure spray is directed into corners of fitted sheets and blankets as well as inside and outside of pillow cases. In the case of garments and headgear, close attention should be given to seams, hems, cuffs, collars, and creases. After treatment, bedding and all garments must be either laundered in hot water or dry cleaned as required.

**For mattresses, furniture and carpeting:** Direct spray into all folds, tucks, seams and crevices of infested areas until moist. Allow all treated surfaces to dry completely before use.

**Bedbugs:** Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and frames. Repeat treatment as necessary.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION**

Avoid breathing of vapor or contact with skin or eyes. Vacate premises after treatment and ventilate before reoccupying.

Avoid contamination of feed and foodstuffs. When using this product in food processing plants, food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product in these areas, apply only when the facility is not in operation.

Remove pets, birds and cover fish aquariums before spraying.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material with in strict accordance with directions given hereon.
