	100.00%

*Equivalent to 0.8% Butylcarbitol 5-(p-iodophenyl) ether and 0.2% related compounds

NET WT. 5 OZ.

CAUTION: KEEP OUT OF REACH OF CHILDREN
See back panel for additional precautions

DIRECTIONS FOR USE: In violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE BEFORE USE AND AT INTERVALS DURING PROLONGED USE: Hold container upright with nozzle away from you. Press valve down and spray as directed. To avoid possible staining of fabrics or surfaces, do not spray at close range.

LICE: Spray on garments, bedding, mattresses, furniture, floors, carpeting and inanimate surfaces. First spray an inconspicuous area to test for possible staining or discoloration. Inspect after drying, then proceed to spray entire area to be treated.

HEAD CANES: Hold upright with nozzle away from you. Press button and spray surface to be treated from a distance of 10 inches. Spray each square foot for 3 seconds, directing spray into all insected surfaces until moist.

FOR BEDDING: Make sure spray is directed into corners of fitted sheets and blankets as well as inside and outside of pillow cases. In the case of garments and headgear, close attention should be given to seams, hems, cuffs, collars, and creases. After treatment, bedding and garments must be either laundered in hot water or dry cleaned as required.

FOR MATTRESSES, FURNITURE AND CARPETING: Direct spray into all folds, tufts, seams and crevices of insected areas until moist. Allow all treated surfaces to dry completely before use.

BEDBUGS: Spray mattresses, particularly around tufts and seams. Make beds apart and spray into all joints, floor baseboards, molding and frames. Repeat treatment as necessary.

DISPOSAL: Do not reuse empty container. Wash container and put in trash collection.

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists.

Avoid contamination of feed and foodstuffs. When using this product in food processing plants, food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product in these areas, apply only when the facility is not in operation.

Remove pets, birds and cover fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 150°F may cause bursting.

Buyer assumes all risks of use, storage or handling of this material in strict accordance with directions given hereon.
