Back Panel

HEDDY WEEDS OUT destroys ugly grass and weeds that may grow in cracks in driveway, pavement, and curbs. Also useful in destroying weeds along fences, walls tennis courts, and other areas where vegetation is not desirable.

Do not use on lawns, flower beds, or vegetation beds.

DIRECTIONS FOR USE: Spray unwanted vegetation from a distance of 6-8 inches until leaves are thoroughly wet so that HEDDY WEEDS OUT runs off weeds. Do not water for two hours after spraying. Repeat application if growth reappears. Do not use when wind is blowing as it may spread chemicals on desirable plants and foliage. When spraying around shrubby beds or desirable vegetation use extra caution to prevent spray from drifting onto plants and foliage.

WARNING: Harmful if swallowed or absorbed through skin. May cause skin irritation. Do not breathe spray mist. Do not get on skin, eyes, or clothing. Wash thoroughly after spraying. If in contact with skin wash with soap and water for 15-20 minutes, and receive medical attention. Contaminated clothing should be removed.

CAUTION: Contents under pressure. Do not puncture. Exposure to high temperature may cause bursting. Keep at room temperature - away from direct sunlight, radiators, stoves, etc. Do not throw container into fire or incinerator.

COMBUSTIBLE MIXTURE - Do not use near fire or flame.
