Back Panel

U. S. D. of A Registration No. 4990-X

DIRECTIONS FOR USE:

1. Shake can well before using. For best results application should be made under favorable drying conditions.
2. Spray all foliage, bark and twigs to be protected from Rabbits, Deer and Field Mice. Each application protects for three to six months. It may, however, be necessary to re-apply frequently to protect new growth.
3. For protection of dormant trees, spray twigs and trunk to a height of five feet following leaf fall.

KEEP CAN FROM FREEZING.

CAUTION: Do not use on vegetables such as cabbage, lettuce, beans, etc.
May cause skin irritation. Do not breathe in dust. Do not get into eyes or on skin. Wash after handling.

Contents under pressure. Exposure to prolonged sunlight or other source of heat may cause can to burst. DO NOT STORE ABOVE 120°F. Do not puncture or incinerate can. KEEP OUT OF REACH OF CHILDREN.
