UNDER THE FEDERAL INSECTICIDE  
 FUNGICIDE AND RODENTICIDE ACT  
 FOR ECONOMIC CONTROL

G-96 Hunting Dog Indoor & Outdoor Dog Repel is a training aid for your dog. It will repel dogs from furniture, rugs, and other forbidden areas of your home. It will prevent your dog from soiling flower beds, areas of the lawn, trees, shrubbery, etc. The most effective control for a dog is the sharply spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

**INDOORS:** To break your dog of undesirable habits (such as sleeping on furniture, rugs, and other forbidden areas in your home): Spray the article of furniture, rug, etc., lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabrics or plastics test the effect of this product by first treating a small inconspicuous area. This product may stain or soften some fabrics or plastics. An alternate method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary until undesirable habit is broken.

**OUTDOORS:** To prevent your dog, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreen: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly every day, or every other day, with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then spray the spot with this masking odor. Re-apply as often as necessary until undesirable habits of your dog or stray animals are changed. **Do not apply directly to foliage or shrubs or to ornamental, soft-bodied plants.**

Net Weight 4.25 oz. (120 g)  
 Contains 4.0 oz. (113 g) of repellent  
 Contains 0.25 oz. (7.1 g) of propellant  
 Total Weight 4.25 oz. (120 g)

ACTIVE INGREDIENTS:	Methyl Nonyl Ketone	1.9%
	Related compounds	0.1%
INERT INGREDIENTS:		98.0%
