DIRECTIONS FOR USE

HEDDY SPIDER KILLER kills house spiders and thereby controls the building of spider webs. **HEDDY SPIDER KILLER** is designed to be used in areas, such as, cellars, garages, attics, porches, tool sheds and other unfinished parts of the house. In frequently lived in areas, such as, living rooms, kitchens, bedrooms, etc., vacuum cleaning will control spiders and spider webs.

By spraying the non-living areas, you will greatly reduce spider activity throughout the house.

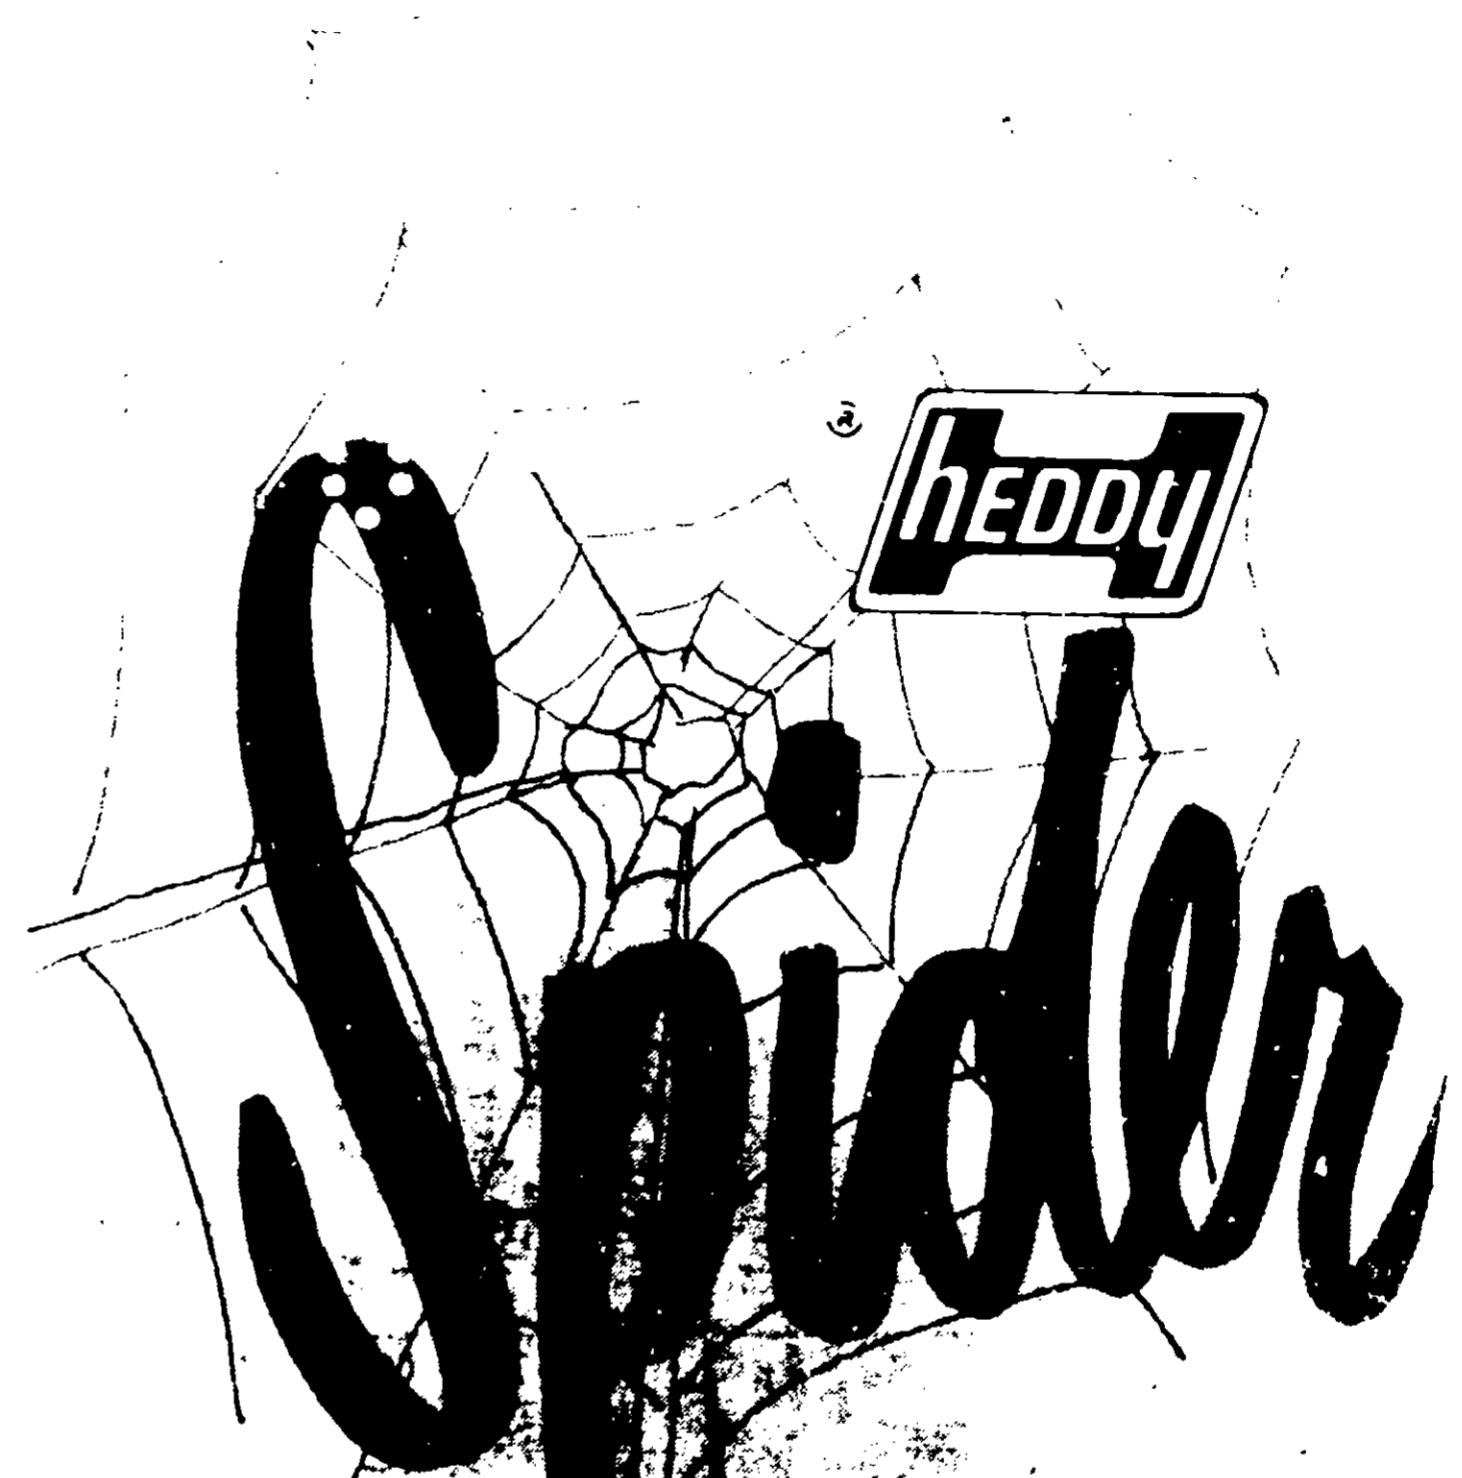

Use in non-living areas, such as, door frames, door sills, window sills, and other similar areas. Do not or build up on wet surfaces. Repeat as needed.

WARNING: AVOID CONTACT WITH SKIN.
Do not use on food and food containers.
CAUTION:
Do not use on painted walls, upholstery, finished wood or other decorative surfaces. Stains may remain.
Exposure to 130°F may cause discoloration. Throw container in incinerator.

Do not use in
Do not spray near fish tanks.
Do not apply to pets or birds.
Do not spray on painted walls, upholstery, finished wood or other decorative surfaces. Stains may remain.

DIRECTIONS FOR USE

HEDDY SPIDER KILLER kills house spiders and thereby controls the building of spider webs. HEDDY SPIDER KILLER is designed to be used in areas, such as cellars, garages, attics, porches, tool sheds and other unfinished parts of the house. In frequently lived in areas, such as, living rooms, kitchens, bedrooms, etc., vacuum cleaning will control spiders and spider webs.

By controlling spiders in the non-living areas, such as, cellars, etc., you will greatly reduce new webs and spiders throughout the entire house.

SHAKE WELL BEFORE USING. In non-living areas, spray around window frames, door frames, rafters, ceiling corners and other places where spiders may crawl or build nests. Spray in spots, but wet surfaces thoroughly. Repeat application as needed for complete control.

WARNING: AVOID BREATHING OF SPRAY MIST OR CONTACT WITH SKIN. HARMFUL IF SWALLOWED.
Avoid contamination of feed, food stuffs and water sources.
Wash hands with warm water and soap after using.
KEEP OUT OF REACH OF CHILDREN
WARNING: FLAMMABLE!
CONTENTS UNDER PRESSURE
Do not puncture. Do not use or store near heat or open flame.
Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator.

Do not use in living quarters.

Do not spray near fishbowls or aquariums. Do not apply to pets or birds. Do not spray painted walls, upholstery, lamps, rugs, finished wood or other decorative surfaces as stains may remain.
