#### DIRECTIONS FOR USE - GENERAL CLASSIFICATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

RECOMMENDED USE CONCENTRATION: SEE DATA SHEET

#### STORAGE AND DISPOSAL

**RESTRICTIONS:** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**PESTICIDE DISPOSAL:** Pesticide that cannot be used or chemically reconditioned should be disposed of in a landfill approved for pesticides or other suitable place away from water supplies.

**CONTAINER DISPOSAL:** Rinse, reseal container and offer for reconditioning or recycling (or equivalent) and offer for recycling, reconditioning or disposal in approved landfill or bury in a safe place.

**GENERAL:** Consult federal, state or local disposal authorities for approved alternative procedures.

#### FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk or white vegetable solution or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

#### NOTE TO PHYSICIAN

Emetic or purgative may contraindicate the use of gastric lavage. Measure against circulatory shock, respiratory depression and convulsions may be needed.
