PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals
DANGER: Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful or fatal if swallowed. Avoid contamination of food. Keep out of reach of children.
STATEMENT OF PRACTICAL TREATMENT
In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.
If swallowed, drink promptly a large quantity of milk, egg white, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

Sterisan Germicidal Cleaner and Odor Counteractant is a highly concentrated 4-way action synthetic detergent that cleans, disinfects, sanitizes and deodorizes. It is a hospital cleaner/disinfectant formulated with dual quaternary ammonium disinfectant detergent and synergizing builders. It is designed specifically for use where controlling the hazard of cross-infection from the inanimate environment is of prime importance. It is especially adaptable for use by hospitals, sanitariums, nursing homes, physicians, veterinarians and schools. It can be effectively used on floors, walls, sink tops, garbage pails, telephones, rest rooms, bedpans and operating rooms. It is effective against *Staphylococcus aureus*, *Salmonella choleraesuis*, *Pseudomonas aeruginosa* and the pathogenic fungi, *Trichophyton interdigitale*. When used on environmental inanimate hard surfaces at two (2) ounces per gallon of water, it is effective against influenza A2, Herpes Simplex, Adenovirus type 2, and Vaccinia Viruses.

Not Reviewed. Registration claims to be in accordance with
Reregistration of Pesticide Products 6560 and for Phase 2
Reviews, Part 2.15, added by the Office of Pesticides.

STORAGE AND DISPOSAL

STORAGE: Keep container closed. Avoid freezing or high temperatures.

DISPOSAL: Do not reuse container (bottle). Rinse thoroughly before discarding in trash.

PLASTIC PAILS AND DRUMS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

FIBER DRUMS WITH LINERS: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

METAL CONTAINERS: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

NOTICE: Seller makes no warranty other than specified on this label. The buyer agrees that the seller shall not be responsible or liable for injury to crop, soil, person or property arising from careless or improper use or handling of the product. Please use in accordance with seller's directions.
