**DIRECTIONS FOR USING POMERIO-18**

For Bath Tubs, Beds (Hospital), Bed Pans, Benches, Floors, Furniture, Lavatories, Lockers, Refrigerators, Toilets, Urinals, Walls and Woodwork.

Clean thoroughly and rinse with a solution of one ounce of POMERIO-18 to each gallon of water.

For Rubber Goods: Soak in solution of one ounce of POMERIO-18 to each gallon of water for 15 minutes. Where deodorization is necessary, as with rubber sheets, etc., soak (after cleaning) in a solution of nine ounces of POMERIO-18 to each gallon of water.

For Clothing, Towels, Linen and Athletic Apparel: Soak for 15 minutes in a solution of one ounce of POMERIO-18 to each gallon of water. (Put clothes into the solution, not the solution onto the clothes.)

Deodorizing: Odors arising from contaminated surfaces may be eliminated by washing with a solution of nine ounces of POMERIO-18 to a gallon of water.

Mold Control: Use POMERIO-18 solution, four ounces to six ounces to a gallon of water.

WASH WALLS AND SURFACES WITH SOAP AND WATER. THEN APPLY POMERIO-18 SOLUTION.

# POMERIO-18

® REGISTERED TRADE-MARK U.S. PAT. OFF.

## BACTERIOSTATIC DEODORANT

ACTIVE INGREDIENT .....	2.3%
(*Potassium Mercuric Iodide—K <sub>2</sub> Hg I <sub>4</sub> )	
INERT INGREDIENTS .....	97.7%
<b>CONTENTS: ONE GALLON</b>	<b>100.0%</b>

\*Present in the form of Potassiumtetraiodomercuriate

**ODORLESS — NON-INFLAMMABLE — ECONOMICAL**

**WARNING: KEEP OUT OF REACH OF CHILDREN**  
May be fatal if swallowed. Do not get in eyes, on skin or clothing.

**Keep Out of Reach of Children**

POMERIO-18 does not affect paint, fabric, rubber, plastic or wooden surfaces.  
POMERIO-18 stays potent over long periods of exposure or storage, is not affected by light or heat.  
POMERIO-18 is completely soluble, makes clear working solutions and leaves no soapy film on surfaces treated.  
POMERIO-18 in working solutions does not discolor stainless steel or galvanized metal. Its use on other metals is not recommended.
