### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS & DOMESTIC ANIMALS

### CAUTION

May be fatal if swallowed. Do not get in eyes, on skin or on clothing. May be absorbed through the skin. Wash thoroughly after use with soap and water. Contact with skin can cause toxic symptoms. Do not contaminate food or feedstuffs. Do not use on lactating dairy animals.

### FOR PHYSICIAN

Antidote: Internal: Emetic of Mustard. Atropine is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

### ENVIRONMENTAL HAZARDS

### CAUTION

Highly toxic to fish. Do not contaminate any body of water by direct application, cleaning of equipment or disposal of wastes or containers.

### PHYSICAL OR CHEMICAL HAZARDS

DO NOT USE OR STORE NEAR HEAT AND OPEN FLAME

### DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

### DIRECTIONS

To aid in reducing face flies and horn flies on beef cattle with the WIK Applicator, Tox-O-Wik Face Fly Fighter Applicator and other cattle killers. Dilute one gallon of this product with four gallons of kerosene before placing it in the insecticide applicator, cattle killer reservoir, saturating cloth, burlap, cotton, felt or other parts. The oiler should be located where cattle loaf or congregate so that they may have access to it at all times. Do not use on lactating dairy animals. Do not contaminate food or feedstuffs.

### NON-WARRANTY

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

### STORAGE AND DISPOSAL

Storage. Store container in a cool, dry area. Keep container closed. Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Disposal. Do not reuse empty containers. Triple rinse with water, puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
