CAUTION

### VACUUM CLEANERS

Thoroughly clean your vacuum cleaner and protect it with Moth Crystals. Fill vacuum cleaner container with Moth Crystals. Force vapors into closet corners, crevices, and under furniture on flat surfaces. Add additional Moth Crystals to cushions of upholstered furniture.

If possible, confine Moth Crystal vapors for at least 7 days in clothing furniture and carpet in heavy paper. Seal joints with masking tape or seal by taping cracks with paper. If tight sealing is impossible, use additional Moth Crystals and seal at night, repeating for 7 days.

NOTE: Do not use Moth Crystals in direct contact with wax, paraffin, cement bags, polystyrene plastic hangers, painted or varnished surfaces, asphalt tile or other floorings.

### CAUTION INFORMATION

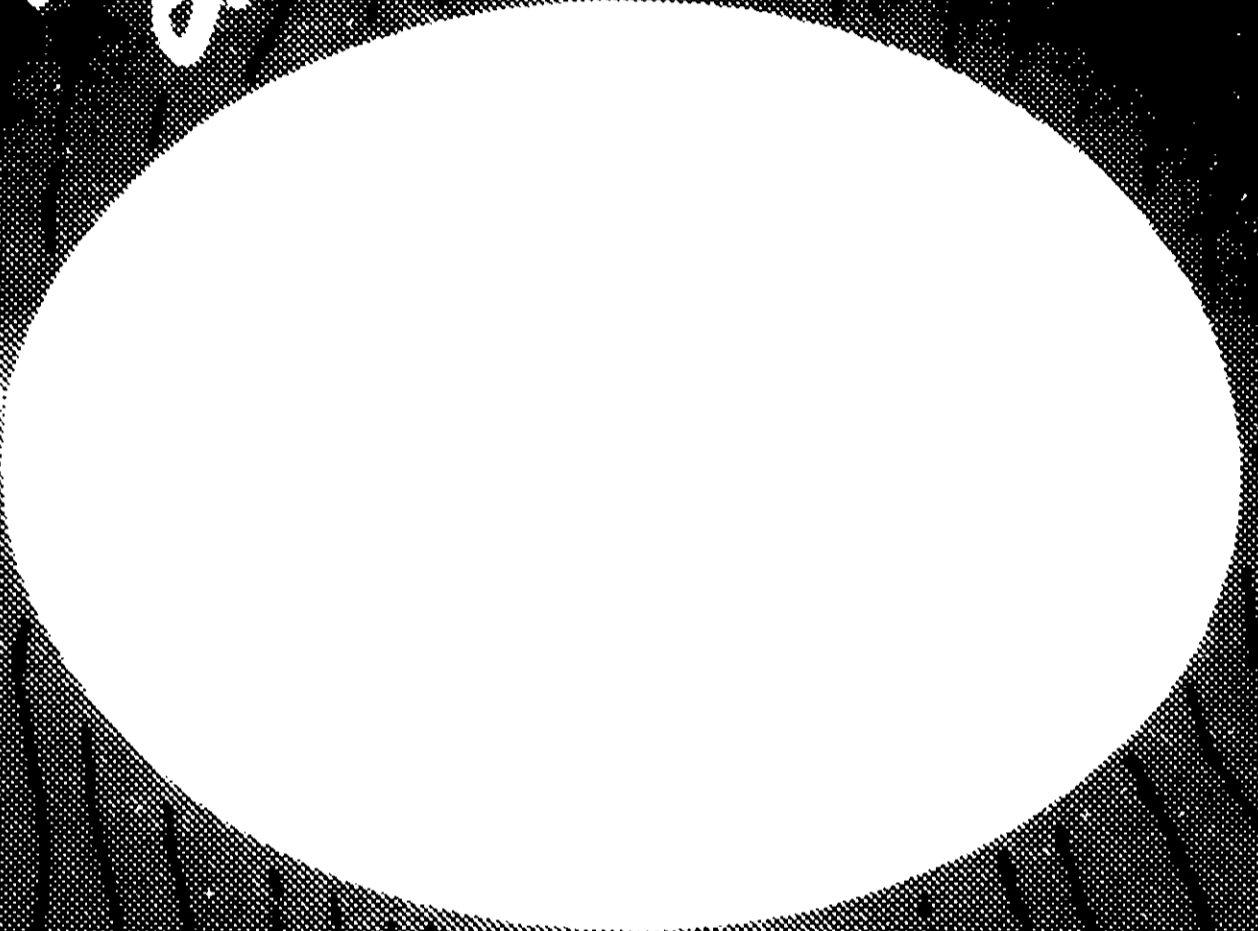

Avoid contact with eyes.  
In case of contact, flush immediately  
with large amounts of cool water.

Avoid prolonged or repeated breathing of vapors.  
Thoroughly ventilate all rooms containing  
concentrated vapors or treated articles before re-occupancy.
