**Lasting Fresh Smell • Contains No Phosphorous**

*\*Effective against specific gram-negative household germs such as those causing Salmonellosis (food poisoning).*

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO DISINFECT, CLEAN AND DEODORIZE HARD, NON-POROUS SURFACES IN ONE OPERATION:** Use a mop or brush to apply a solution of ¼ cup disinfectant to one gallon of water for moderately soiled surfaces such as floors, pet quarters, and garbage cans, maintaining a thoroughly wet surface for 10 minutes. Mix fresh solution before each use; no rinsing necessary except on rubber or asphalt tile and on food contact surfaces. Heavily soiled surfaces must be pre-cleaned first, followed by a second application using directions above to disinfect. Use full strength for cutting grease, crayon, old wax or other heavy duty cleaning jobs; rinse immediately.

**LAUNDRY:** Use full strength on heavily soiled areas such as collars, cuffs and grease stains. Rub in well and use ½ cup in washer along with regular detergent as a cleaning booster and deodorizer.

**PRE-SOAKING:** To kill odor-causing bacteria, use ½ cup per gallon of water for diapers, baby clothes and bedding.

**DOG BATH:** Use 3 tsp. per gallon of water.

**STORAGE:** Keep container closed when not in use. Store in original container in a cool, dry place (preferably locked) inaccessible to children and pets. Do not store near heat or open flame. **DISPOSAL:** Do not reuse empty container. Wrap container and put in trash.

#### **PRECAUTIONARY STATEMENTS**

##### **Hazards to Humans & Domestic Animals**

**WARNING:** Causes eye and skin irritation. Do not get into eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food/food crops.

##### **Statement of Practical Treatment**

**If Swallowed:** Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention. **If In Eyes:** Flush with plenty of water. Get medical attention. **If On Skin:** Wash with plenty of soap and water. Get medical attention if irritation persists. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

##### **Environmental Hazards**

This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with an NPDES permit. For guidance contact regional office of the EPA.

##### **Physical or Chemical Hazards**

Do not use or store near heat or open flame.
