BEST AVAILABLE COPY

TKO Pine Disinfectant is a limited disinfectant against odor causing bacteria and cleaner for use on hard, nonporous washable surfaces. Leaves a pine fresh scent.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

(Directions for Non-Trigger Sprayer Container:)

CLEANING/DEODORIZING FLOORS, CABINETS, WOODWORK: Use 1/4 cup per gallon of water. No rinsing necessary.

LAUNDRY: Add 1 cup to detergent per washload for diapers, work clothes, for extra cleaning power and fresh smell.

TOUGH JOBS: Use full strength and rinse.

DISINFECTING ODOR CAUSING GERMS: Clean surfaces thoroughly before applying this product full strength to clean, hard, non-porous household surfaces such as floors, walls and tubs (including garbage pails and pet sleeping areas).

(Directions for Trigger Sprayer Container:)

Now with Handy Trigger Sprayer!

TO OPERATE: Turn nozzle counter-clockwise to spray or stream (adjust to desired pattern).

FOR GENERAL HOUSEHOLD CLEANING: Spray 6 to 8 inches away from surface to be cleaned and wipe clean with cloth or sponge. No rinsing necessary. TKO Pine Disinfectant removes food stains, household grease, fingerprints, hard to remove soils and pencil/crayon marks around your home.

DISINFECTING ODOR CAUSING GERMS: On hard non-porous surfaces such as walls, sinks, counter tops and tile, clean surface first as above, then spray until surface is thoroughly wet. Let stand for 10 minutes before wiping. Repeat as necessary. May also be used on doors, walls, garbage cans, window sills and vinyl upholstery.

STORAGE: Store only in tightly closed container in an area inaccessible to children. **DISPOSAL:** Do not reuse empty container, rinse with water and discard in trash.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

WARNING: Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Get medical attention if irritation persists.

Statement of Practical Treatment

If Swallowed, drink large amounts of water. Do NOT induce vomiting. Call a physician or poison control center immediately. If on skin, wash thoroughly with soap and water. Remove and wash contaminated clothing before reuse. If irritation persists, get medical attention. If in Eyes, immediately flush with water for at least 15 minutes. Get medical attention.

Physical or Chemical Hazards

Do not use near heat or open flame.
