EPA Reg. No. 12012-1

**WARNING:** Keep Out of Reach of Children. See right side panel for additional precautionary statements.

4 Star Plus is a cleaner, disinfectant, and sanitizer, designed for institutional use such as Hospitals, Nursing Homes and Institutions where housekeeping will be of prime importance in controlling the hazard of cross-infection. 4 Star Plus can provide the assurance you need in this area, when used as directed. For use on floors, walls, sink tops, garbage pails, telephones, rest rooms, bed pans and operating rooms. Effective against Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, Influenza A2, Adenovirus Type 2, Herpes Simplex and Vaccinia Virus. Also effective against pathogenic fungi, Trichophyton interdigitale.

When used for sanitization of food processing equipment and food contact items, limit active quaternary to 200 ppm.

No potable water rinse is necessary

**WARNING**

Keep Out of Reach of Children. Causes eye and skin irritation. Do Not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food.

**FIRST AID**

In case of contact immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution, or if these are not available drink large quantities of water. Call a physician.
